Dear Parent:

Because it is necessary for some of our practices to be held away from JCHS—Illini Middle School/ Tri-County Bowl/City Park/Westlake Country Club/American Legion—we are in the process of arranging transportation for our athletes. At present your son/daughter may do one of three things. We will have a bus make a run these locations on a daily basis. We will also allow students to drive to these locations or they may ride with someone who does drive, provided these students have the following release form on file in the athletic office at the high school.

When practice or contests end at these locations our athletes will be dismissed from there, and they are free to leave however they like (parent, friend, walk, etc). Athletes may sign up for the activity bus and ride that after their practice, but they **must** sign up in the office before **1:30** on a daily basis.

While we have tried to anticipate the transportation needs of our athletes, undoubtedly there will be situations arising that we have not anticipated. It is our sincere hope to provide our athletes with the transportation they need. If you have questions or concerns, please do not hesitate to contact the athletic office at the high school.
