**ACT Aspire Testing Information**  
**8th Grade: April 24-28**      **9th Grade: May 8-12**

**What is the purpose of the ACT Aspire tests?**

While state tests are not the only measurement used to determine how your child is doing, it does enable educators to compare how students are progressing over time. This helps inform teachers on how to develop plans regarding student growth, and student scores are used for placement purposes for the upcoming school year.

**What can you do to help your student do his/her best on the Aspire test?**

- Ensure your student is present each day of testing.
- A good breakfast on test day is fuel for the brain.
- Make sure your student gets a good night's sleep.
- Ensure students arrive on time for school and be in their testing location early.
- Encourage your child to do his/her best.
