

Chad Cargill's Test Prep

The only workshop given by someone who **took the ACT 18 times** in high school and raised his score from a **19** to a **32**.

Do you need a few extra points on your ACT to win certain scholarships? Or maybe you are a few points away from qualifying to get into college. Then this workshop is for you!

- Over **120,000** high school students attended the workshop!
- Packed full of relevant, practical information on how to increase your ACT score
- Shows you how the ACT is beatable
- Each test will ask you the same questions just worded differently

ACT Prep Book

\$20

(tax included)

English - Learn what the test-makers are looking for & the relevant rules needed.

Math - Learn formulas & rules you need to answer virtually every question.

The workshop covers what will be on the test and how to master the techniques; this is not a practice test. It covers general ideas about the ACT as a whole and the individual sections of:

Science - Learn common question types and strategies to beat science reasoning.

Reading - Learn three strategies and three methods how to best take the comprehension section.

Chad Cargill, founder and president of Cargill Consulting®, developed this workshop after taking the ACT 18 times and increasing his score from a 19 to a 32. He attended Oklahoma State and graduated with a degree in Industrial Engineering.
