Section 504 of the Rehabilitation Act of 1973 ***Annual Internal Notice to Students, Parents, and Employees***

Section 504 prohibits discrimination against individuals with disabilities in any program receiving federal financial assistance. The Rehabilitation Act defines a person with a disability as anyone who:

- Has a mental or physical impairment which substantially limits one or more major life activities, (including caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working); or
- Has a record of such impairment; or
- Is regarded as having such impairment.

To fulfill obligations under Section 504, the Lennox School District has the responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability should knowingly be permitted in any of the programs and practices of the school system.

The school district has responsibilities under Section 504 which include the obligation to identify, evaluate, and if the student is determined to be eligible under Section 504, to provide appropriate educational services.

If the parent/guardian disagrees with the determination made by the professional staff of the school district, he/she has a right to a hearing with an impartial hearing officer.

Contact the 504 Coordinator if any concerns:
