### PIONEER PLEASANT VALE MASK POLICY 2021-2022

Effective July 1<sup>st</sup>, 2021, the Pioneer Pleasant Vale School System will comply with state law and follow SB 658 regarding masks mandates. Under SB 658, the Pioneer Pleasant Vale School Board may consult with the Garfield County Health Department or other state health agencies and mandate masks ONLY if:

- The school district is located in an area that is under a state of emergency
- The mandate must include its purpose
- The mandate must specifically include what masks or medical device would meet the mandate's requirement
- The board must reconsider the mandate at each regularly scheduled board meeting

Therefore, until the Governor of Oklahoma issues an emergency or puts the Pioneer Pleasant Vale School District under a state of emergency, no mask mandates will be issued by the school district. Once a state of emergency is declared, the district will consult with the Garfield County Health Department and other state health agencies to provide information to the Pioneer Pleasant Vale School Board in regards to implementing the correct policies needed to address the emergency.

The updated (July 2021) Pioneer Pleasant Vale Covid-19 Safety Protocol Alert System will be followed in a state of emergency until a time when the Pioneer Pleasant Vale School Board can amend or replace this policy.
