Auditor of State Bulletin

Date Re-Issued: April 4, 2012

TO: All Public Offices Community

Schools

FROM: Dave Yost, Ohio Auditor of State

SUBJECT: House Bill 66 – Fraud Hotline

In 2003, then Auditor of State Betty Montgomery created the Auditor of State's fraud hotline. The hotline was established as a way for all Ohioans to report potential fraud throughout government. Since its inception, not a week passes without the Auditor of State's office receiving tips or complaints.

Recently passed legislation House Bill 66 (HB 66) makes several changes to the Auditor of State's fraud hotline. The bill requires the Auditor of State to maintain a system for the reporting of fraud, including misuse of public money by any public official or office. The system allows all Ohio citizens the opportunity to make anonymous complaints through a toll-free telephone number, the Auditor of State's website, or through the United States' mail.

The Auditor of State is required to keep a log of all complaints filed. The log is a public record under Section 149.43 of the Revised Code and must contain the following: the date the complaint was received, a general description of the nature of the complaint, the name of the public office or agency with regard to which the complaint is directed, and a general description of the status of the review by the Auditor's office. Information in the log may be redacted if Section 149.43 of the Revised Code or another statute provides an applicable exemption. During the course of Auditor of State investigations, information will be redacted pursuant to Section 149.43(A)(2) in order to conduct thorough investigations.

The new legislation also has a direct impact on all public employers. On the bill's effective date, May 4, 2012, public offices, including community schools, must make their employees aware of the fraud-reporting system. Public offices also must provide information about the fraud reporting system to all new hires. All new employees must confirm that they received this information within thirty days after beginning employment. Section 117.103 requires the Auditor of State to confirm that public offices have so notified new employees. The statute provides two ways to verify compliance. First, public offices may require new employees to sign forms acknowledging the employees were notified of the fraud-reporting system. The Auditor of State has created a model form, which is appended to this Bulletin and may be found on the Auditor of State website. Alternatively, public offices may consider providing the fraud reporting system information in the employee manual for the public office. The employee should sign and verify the employee's receipt of such a manual. This option satisfies the bill's requirements on public employers.

Finally, the legislation also extends the current whistle-blower protections contained in Section 124.341 of the Revised Code to employees who file a complaint with the new fraud-reporting system. If a classified or unclassified employee becomes aware of a situation and reports it to the Auditor of State's fraud-reporting system, the employee is protected against certain retaliatory or disciplinary actions. If retaliatory or disciplinary action is taken against the employee, the employee has the right to appeal with the State Personnel Board of Review.

Example language regarding the Auditor of State's fraud reporting-system

The Ohio Auditor of State's office maintains a system for the reporting of fraud, including misuse of public money by any official or office. The system allows all Ohio citizens, including public employees, the opportunity to make anonymous complaints through a toll free number, the Auditor of State's website, or through the United States mail.

Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved

OMB No. 1210-0149

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

| For more information about your coverage offered by your employer, please check your | |
|--|--|
| summary plan description or contact | |

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an

application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

- - ** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, **HealthCare.gov** will guide you through the process. Here's the employer information you'll enter when you visit **HealthCare.gov** to find out if you can get a tax credit to lower your monthly premiums.

The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers, but will help ensure employees understand their coverage choices.
