These programs, activities, and procedures will be planned and operated with meaningful consultation with parents/guardians of participating students.

 - ❖ While collecting evidence about satisfaction with the program and the school's efforts to increase parental involvement will be a part of the evaluation, the survey will also collect specific information of the (1) growth in number of parents participating in workshops and meeting; (2) specific needs of parents; (3) effectiveness of specific strategies; and (4) engagement of parents in activities to support student academic growth.
 - ❖ The survey will also give the committee enough information to plan events to connect students, parents, and Maumelle Middle. The choices are: Study Skills, Technology Night, Fitness Night, Test Prep Night and Teambuilding Activity Night and other possible activities.

Maumelle Middle School Parent Center

The Parent Center is located in the front office of the middle school. Parents who need to use the center should check in with front office staff first. The room is to the left of the conference room. It is furnished with a round conference table and chairs, computer desk, pamphlet rack and bookshelf. The bookshelf now has 37 different English to another language dictionaries. The room is equipped with a telephone, computer, many parenting books, pamphlets and Spanish language materials. There is a guest username and password on the computer. Parents are free to take any pamphlets and Spanish language materials they like, but the books must be checked out with Mrs. Matthews in the Library Learning Center and then returned to her, as well. We are pleased that we can offer this resource for our parents and we encourage them to use it frequently. Questions or comments can be directed to Traci Matthews, Parent Facilitator, at tmatthews1379@pcssd.org or 851-8990.
