1: Jointly Developed Mills Middle School will take the following actions to involve parents in the joint development of its school wide parental involvement plan under section 1112 of the ESEA:

- Survey parents for level of interest.
- Recruit volunteers to serve on the School Improvement Plan (SIP) Committee.
- Have parents work with school personnel throughout the year to improve student achievement and build a stronger home/school connection.

Mills Middle School will take the following actions to involve parents in the process of school review and improvement under section 1116 of the ESEA:

A. Meet to analyze student assessment data to determine the effectiveness of the actions stated in the SIP.

B. Parent compacts will be jointly developed and reviewed with parents for the purpose of improving student achievement and building the home-school connection. All stakeholders will sign the Compacts as a commitment to meeting the standards and improving student achievement.

C. Complete and monitor Student Success Plans for 8th graders and MAP assessments for 6th and 7th graders. A copy will be kept in the student's assessment folder that will be revised each quarter.

D. Discuss with parents at the first Parent-Teacher Conference the contents of the student assessment folders. Review with the parents, the strategies that will be used and the

expectations to improve student achievement.

E. The teacher will use TAC/HAC, as per district policy, to provide grades and other classroom academic information to students and parents weekly. Teachers will post two grades per week in core subjects' areas and electives.

F. The resource teacher/inclusion teachers will schedule and hold program and annual review conferences, including the classroom teacher, parent, and other appropriate staff.

G. The resource teachers and inclusion teachers will meet with appropriate staff members to discuss modifications and I.E.Ps.

H. Teachers will share students' progress and data during the parent/teacher conferences. **I.** Review, evaluate, and revise the INDISTAR and FEPSI plans, and discipline summary by analyzing behavior documents, parental involvement, and teacher data to determine the program/planning effectiveness.

I. Provide a survey to all parents to evaluate and determine parent needs, perceptions, and opportunities to increase parental involvement at Mills Middle School.

J. Town Hall meetings will be held monthly to communicate with parents about upcoming school events, assessments, reports cards, games, and school wide events.

Mills Middle School will take the following actions to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the quality of its Title I, Part A schools. The evaluation will include identifying barriers to greater participation by parents in parental involvement activities (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background).

Mills Middle School will use the findings of the evaluation about its parental involvement policy and activities to design strategies for more effective parental involvement, and to revise, if necessary (and with the involvement of parents) its parental involvement policies. The effectiveness of the actions of the Parental Involvement Plan will be evaluated periodically and annually by the results of a Parent Satisfaction Survey, the number of volunteer hours, PTO membership, parent involvement in school activities such as Festivals, Family Nights, Parent Teacher Conferences, Open House, and the number of parents requesting materials from the Parent Center. The Parent Involvement Committee will collect the data that will serve as baseline data for purposes of future evaluations.

- 1.** A parent survey will be issued to discern parent involvement and/or concerns. A parent involvement committee will review, survey and evaluate data.
- 2.** The parent center location will house a variety of materials for parents to review or check out.
- 3.** Parents will be asked at every planned event such as family nights, parent teacher conferences, open house, science fair, PTO events, and talent show, for help as needed. Sign-in sheets will be provided. These will be collected by classroom teachers, PTO board members, and persons running the events.
- 4.** Attendance sign-in sheets will be collected so a running record of parent attendance at

each event can be tallied. The Parent Facilitator will keep these records and will, with the committee, develop baseline data.

If the LEA plan for Title I, Part A, developed under section 1112 of the ESEA, is not satisfactory to the parents of participating children, **Mills Middle School** will submit any parent comments with the plan, when the school submits the plan to the State Department of Education.

Mills Middle School will incorporate this district wide parental involvement policy into its LEA plan developed under section 1112 of the ESEA.
