

# BELIEF STATEMENTS

## **We Believe...**

1. All students can learn to their fullest potential.
2. Students learn best when engaged by highest quality staff, instruction, and learning resources.
3. The education and development of students is a collaborative effort and a shared responsibility among students, parents, staff and community.
4. Pursuit of excellence by each member of the learning community contributes to the overall excellence of the district.
5. The design and implementation of change is purposeful to ensure student learning and staff improvement.
6. Open, honest, and transparent communication fosters credibility, mutual understanding, and trust.
7. Students learn best in a safe, secure, well-maintained, nurturing, and caring environment.
