One user account with specific privileges and capabilities has been set up on the chromebook for the exclusive use of the student to which it has been assigned.

## Parental/Guardian Responsibilities:

- Supervise student's use of the chromebook and the internet at home- information about the free Securly Parent Portal for the district's filtering/monitoring software is located in the Technology section on the district's website
- Not to attempt to repair the chromebook or have it repaired outside the district technology department
- Require student to recharge the chromebook battery nightly and bring chromebook to school fully charged each day
- Have student return the chromebook to the school district when requested and upon the student's withdrawal from Pierce City R-6 School District.

## Student Main Responsibilities:

- Treat the chromebook with care by not dropping it, getting it wet, leaving it outdoors or on the floor, exposing it to extreme temperature (leaving it in the car for a long period of time) or operating it with food or drink nearby
- Keep the protective case on the chromebook at all times
- Report any problems with the chromebook immediately to the district technology department
- Practice online safety: do not give out password or personal information
- Allow any district filters or monitoring software, programs, or extensions. Trying to alter, remove, or disable will result in loss consequences listed in the technology usage policies linked in the Technology section on the district's website
- Use the chromebook for appropriate school related topics and activities
