## Meet the New SUPERINTENDENT

The Gunter ISD Board of Trustees unanimously named Scott Martindale Lone Finalist for the Gunter ISD Superintendent position. Mr. Martindale previously served as the Superintendent of Iola ISD near College Station, TX.

GISD Board President, Scott Meyerdirk, noted that "Scott Martindale is a proven leader who has accomplished great things in the organizations he has led. Gunter ISD has a long history of excellence and I'm honored to be a part of continuing that tradition. My family and I look forward to becoming a part of this wonderful community and building many lasting relationships."

## Free Breakfast and Lunch for ALL Students

GUNTER ISD announced a new policy for this school year; healthy meals will be offered every school day to all students at no cost. Typically, a student's household must meet income eligibility requirements to qualify for free or reduced-price meals. However, the United States Department of Agriculture (USDA) issued guidance that allows schools to offer meals to all students at no cost for the 2021-2022 school year. Each school/site or central office has a copy of the policy, which may be reviewed upon request.

While no application or eligibility determination process is required for your student to receive free meals this school year, the income eligibility requirement will likely resume in the 2022-2023 school year.

This policy allows for 1 free breakfast and 1 free lunch to all students, every day. It will not include, second servings, extras, chips, drinks, or ice cream. Parents will need to deposit funds in student accounts for these items. You may send money to your child's school campus for these items, or use [www.myschoolbucks.com](http://www.myschoolbucks.com) to add money and manage your child's account.

You may contact our Director of Food Services, Lauren Rogers, with any questions or concerns.

## Senior Portrait Sessions

SENIORS, mark your calendar to come and take your senior portraits from Garner Studio.

These pictures are used in several publications for the district, so it is of utmost importance that you participate. You will have approximately 20 pictures taken at no charge. If you choose to, you can purchase your pictures from Garner Studio ... Kip is an awesome photographer, and we know you'll love them!

**\*\* If you cannot make this day work, a retake day will be offered during the school year, but the number of pictures will be reduced to 2-3.**
