

## **Welcome to Southside High School!**

*Thank you for completing the enrollment documents. We are delighted to have your child join us and we look forward to a productive partnership with you to ensure student success.*

*Here is a list of items you should receive:*

- This letter with school supply list on the back
- At-A-Glance District information with school calendar on the back
- School counselor business card with contact info
- A catalog of course offerings and graduation requirements

*From here, your student's enrollment form will be sent to the respective building counselor/principal who will contact you if additional information is needed.*

*The 2021-22 school year begins on Wednesday, August 18. It's important to keep up with the latest information by visiting the school webpage and/or following us on social media.*
