RE: Colonia High School Summer 2021 Twilight Credit Restoration Program

This is *just a reminder* about the Woodbridge Township School District Summer Credit Restoration program.

The Twilight Apex Summer Program began on Tuesday, July 6, 2021, and **will end on Monday, August 9, 2021**. Students need to ensure they complete their coursework by the Monday August 9 due date in order to be eligible for credit restoration by the Woodbridge Township School District.

A content teacher along with a Special Education teacher from the four core content areas listed below are still available for in-person instruction Monday-Thursday at the Ross Street Elementary School #11 from 10:00 AM – 12:00 PM. Students who are in person will take top priority at that time. The content teacher will also be available for virtual assistance Monday-Thursday from 4:00 PM – 6:00 PM using the Google Classroom “WTSD High School Summer Credit Restoration 2021” using the classroom code pll25i.

Core Content teachers will be available for assistance one day a week according to the schedule listed below. These teachers are **ONLY** available on these set days:

Monday – Mathematics Tuesday – English Wednesday – Social Studies Thursday – Science

*All other Apex courses other than these four content areas will not have a teacher available to assist.

We will have CHS administrators Mrs. Galvin, Mrs. Murphy, Mr. Panko and myself available to assist via email. Students must email CHS_Twilight@woodbridge.k12.nj.us with a concern or to open a section for them. Students must use the above email address in order for an administrator to reply as soon as possible to assist.

We wish your child continued success with this opportunity for credit restoration created by the Woodbridge Township School District. Please encourage your child to take this opportunity seriously and remind them that although it is self-paced as per the WTSD the **deadline date of August 9, 2021 is a firm deadline**.

Sincerely
