

## **ATHLETIC PARTICIPATION POLICY FOR CONDON MIDDLE SCHOOL**

Athletics are an important part of the educational process. These activities are offered to students to keep them involved in their education and to help them to become successful. In order to demonstrate the ideals of good leadership and sportsmanship and respect for rules and authority; in order to establish team and school pride, teamwork, and team discipline; in order to eliminate disruptive influences both in and out of school; and in order to provide conditions which promote health and safety for all participating athletes, the following rules and regulations are established.

For purposes of this policy, students involved in athletic activities shall hereafter be referred to as student, participant, athlete, or student athlete.

This policy applies specifically to the following Middle School athletic activities:

Cross Country (B&G), Football, Volleyball, Basketball (B&G), Track (B&G)

**This policy must be read and signed by parents and the student before the student may participate in an athletic contest!**

High personal standards of conduct are expected at all times so that teams and individuals can attain maximum achievement. All athletes must be good citizens who demonstrate good conduct at school and in the community before being allowed to represent Condon Schools at any home or away competition. Violations of conduct, which are unbecoming of an athlete, may lead to disciplinary action that could include suspension or removal from the team by the head coach and the athletic director. Each head coach will be responsible for determining and communicating general training and behavior standards of their activity, except as specified in this policy.
