3 Learning support

- Prepare for tests, quizzes, assignments, and more!
- Work through tricky lessons, questions, and concepts.
- Get study skills and tips.
- Learn about a new subject with PaperLive: our engaging after-school programming.

About Paper's tutors

From English to STEM, Paper's tutors help every student in exactly the way they need. Our exceptional tutors are carefully selected, rigorously trained employees—not contractors. Tutors can also support students who speak Spanish, Mandarin, French and Korean.
