
Cell Phone & Dress Code Information

Cell Phone Policy

It is important for students to remember it is a privilege to have a cell phone at school, and they can lose the privilege by failing to follow building policies.

Cell phones may be brought to school by students. No recordings or pictures of other students without permission. In addition, sending or posting inappropriate text, video or images to a social networking site or other individuals during school hours or at a school sponsored event is prohibited and is subject to disciplinary actions. Violations will lead to loss of privilege. Failure to comply or cooperate with a request regarding cell phones will be treated as failure to follow directives and handled according to the student code of conduct.

Primary: Cell phones must be put away at all times.

Intermediate: Cell phones must be put away at all times.

Junior High: Cell phones must be placed in lockers. Students are permitted to have cell phones in the morning before school starts and at afternoon bus dismissal.

High School: Phones should not be used during class instructional time. Phones must be placed in the designated area (charging station, cell phone pockets, etc.) when students enter the classroom.
