NEW MIDDLE-SCHOOL MUSICAL

By Maci Osborne - Field Reporter

I interviewed Ms. Johnston about the upcoming musical. This is her first time directing a middle-school musical. This year she has chosen Shrek Jr. It will have over sixty performers involved in the musical so she plans to involve high school students to help her along the way. The performance dates will be December 2nd and 3rd. The musical will be performed in the high school auditorium with pre-recorded music. It will be one hour in length. The costumes will be amazing! We are so excited for this performance.

MEET OFFICER QUEEN

By Kadence Wheeler - Field Reporter

I interviewed Officer Queen, our new School Resource Officer (SRO), and she told me about her job. Officer Queen decided to become a police officer after seeing her uncle in the line of duty. She loves to be able to help other people and her community. She also loves to be able to spend time with her kids and family outside of school. She likes the variety of doing more than one job. A fun fact about Officer Queen is that some of her favorite foods are pasta and fruit. Someday, she hopes to become a detective and help other people. We really appreciate her being at the school every day!

By Kadence Wheeler - Field Reporter

Have you ever wanted to be a school cook? Barb Parks has worked as a school cook at Waverly Intermediate for eleven years! She says she loves to see the smiles on kids' faces, especially on macaroni and cheese day. "When I retire, I am looking forward to having free time and our trip to Clearwater, Florida this winter," she says. Barb has one son, two grandkids, and a ton of brothers and sisters and she just can't wait to spend time with them. Good luck in the future, Mrs. Parks!
