## Volley for the Cure

By: Molly Hobbs

On October 4, 2022, the 7th and 8th grade volleyball teams defended the home court versus the Piketon Redstreaks for the annual Volley for the Cure game. Each team wore bright pink jerseys to honor the survivors, remember those lost, and support the progress being made to defeat breast cancer. The teams played their hardest and were happy to come together and play volleyball for this special cause. There was also a bake sale to raise additional money. Ms. Michele Wolf, 7th grade home economics teacher, and her students made the treats. "Each class came up with ideas of things they would like to bake. They were all very excited about it," Ms. Wolf said. The game and bake sale raised over \$1000 for two individuals battling breast cancer.

### Student Council Elected

Congratulations to Paisley Turner and Taegan Olson who were elected student council President and Vice President

6th grade:  
 Elle Shepherd, Lincoln Cutler, Sam Faulkner, Brynlie Ficken, Taylor O'Brien, Isabella McComis, Mya Osborne

7th Grade:

8th Grade:  
 Blaze Bellomy, Zoey Daniel, Claire Morrison, Taegan Olson, Josh Schobeloch, Abby Schrader, Paisley Turner.

### PBIS Store Opens!

By: Josh Schobeloch

Newly elected student council members have a big responsibility at the Junior High this school year. Student Council members are helping run the Positive Behavior Interventions and Supports (PBIS) store during homeroom and lunch. WJHS students obtain PBIS points from teachers and staff by exhibiting the characteristics of being a T.I.G.E.R. This means they **T**ake responsibility for their actions, **I**nteract positively with others, **G**ive nothing but their best, **E**nter the classroom prepared, and **R**espect self, others, and property. Students can use their PBIS points to purchase items such as candy, drinks, snacks and more as a reward for positive behavior.

Students in Mrs. Schobeloch's 8th grade science class recently completed a lab where they used hot wheels cars and race tracks to measure speed and make distance and time graphs. Above Kylee Newland is getting ready to start her hot wheels car down the track.

# WJHS Football

By: Caylee Wafford

Waverly Junior High Football ended their season September 29th at home against the Northwest Mohawks. "I've seen a lot of progress in players getting better and doing what we ask them to do. Our season had some ups and downs but they kept coming to practice and trying to get better, and at the end of the day, at this level, that's what really matters. I'll be excited to coach the 7th graders next year as 8th graders and to see what the 8th graders do next year in high school!" said coach Dakota Sparks.

# Student-Run Credit Union

By: Paisley Turner

The Student-Run Atomic Credit Union opened this year at WJHS. It will be open every Thursday from 7:45-9:00 A.M in the cafeteria. The Student-Run Atomic Credit Union is operated by Keegan Reed , Jackson Cooper , Jayla Riggsby , Noah Litteral , Sam Faulkner , and Paisley Turner. Students can deposit money into their accounts every Thursday. However, students must have a parents/guardians note to withdraw money from their accounts. The Student-Run Atomic Credit Union is a great way for students to save money.

# Upcoming Events

Oct 8 - Cross Country @ Unioto

Oct 10 - No School Columbus Day

Oct 12 - Volleyball Oak Hill @ Waverly

Oct 15 - Cross Country- SOC meet

Oct 17 - Soccer Clay @ Waverly soccer

Oct 28 - End of the first nine weeks grading period

Nov 3 - Marching band concert
