Dear Parents,

In an effort to maintain up-to-date information pertaining to positive Covid-19 cases and quarantine within our school district, we ask that you please contact Annie Schanink, Nurse Supervisor/RSD Point of Contact if your child receives a Covid-19 test, or if you are concerned they have been exposed to Covid-19.

Your child's personal health information will not be shared. The data we receive will be documented as total numbers only, showing only positive cases and quarantines.

It is imperative that this information is provided in order for our district leaders to make the appropriate decisions for our students and staff going into this new school year.
