DRIVING/RIDING REGULATIONS

Students are expected to ride a school bus to and from NCCC. Students with special circumstances must request permission from the NCCC administration to drive. Never drive or ride to or from NCCC until you have the NCCC permit for driving or riding AND abide by these guidelines:

Please initial each statement.

1. ____ A student driver must purchase a \$5.00 parking tag if he/she plans to drive. He/she is **NOT** allowed to ride without a separate \$5.00 rider's pass.
2. ____ Students who ride with a driver must complete the riding form, have it approved and pay \$5.00 for the riding permit.
3. ____ Secure high school principal's approval on the driving/riding form.
4. ____ Take the completed forms with a fee of \$5.00 to the NCCC secretary/bookkeeper who issues the permits. Keep this permit in plain sight in the vehicle that is driven. (Rider's pass must always be with the rider.)
5. ____ Leave your car immediately upon arriving and go directly to class.
6. ____ Permits may be revoked for violating highway laws and/or school regulations, including but not limited to tardies.
7. ____ Any student who drives/rides to NCCC without permission, or who allows a student to ride without permission, may lose his/her driving privilege and will face disciplinary action.
8. ____ Park only in your assigned parking space; do not park in front of the building or any other location unless permission is granted.
9. ____ Vehicles without the parking tag may be towed at the owner's expense.
10. ____ **Passing a stopped school bus at any time on campus will not be allowed** unless the driver or teacher on duty signals you to pass.
11. ____ Whether the stop arm on a stopped bus on campus is in or out, **do not pass** that bus. If you are given the OK signal by the driver (or the person on bus duty), you will then be allowed to pass. If you are found in violation of this rule, you will lose your privilege to drive for the remainder of the school year.
12. ____ If for some reason you have to drive another vehicle other than the one you normally drive, you must place your tag in that vehicle and notify the office upon arrival on campus of the change of vehicles.
13. ____ If you are found not having your tag in visible sight (rearview mirror) on more than three occasions, you will lose your privilege to drive to the NCCC for a minimum of three (3) weeks.
14. ____ If another vehicle is in your assigned space during your assigned time, park in the front and notify the front office.
15. ____ Permit replacement fee - \$5.00

I agree to abide by all of the above rules and regulations and have indicated so by initialing each one.
