Dear Mandy:

We are pleased to have the opportunity to continue to work with the Gilchrist County School District and hereby set forth below the terms of our engagement Agreement. If you have any questions or concerns, please do not hesitate to contact me prior to having this Agreement signed.

LETTER AGREEMENT FOR CONSULTATIVE SERVICES

This Agreement confirms the terms, conditions and mutual understanding under which the Gilchrist County School District (hereinafter "the District") will engage Resolutions in Special Education, Inc. ("RISE") to provide consultative services in connection with general special education (ESE) matters.

RISE's services, which are billed on an hourly basis, include, among other activities, email and telephone consultation, as needed, with District personnel or District/Board counsel if required or requested. Professional Development services, as requested, will also be provided at an agreed upon daily rate depending upon the actual service needed. RISE's hourly rates, which are reviewed and may be adjusted annually, are as follows:

Julie J. Weatherly, consultant	\$225.00/hour
Leslie A. Allen, consultant	\$190.00/hour

It is understood that RISE's members are not members of the Florida Bar able to independently provide direct legal services in any formal proceedings that may be required. Thus, RISE will provide such services as appropriate and if requested, but only via applicable Florida Bar Rules and through the District's General Counsel in accordance with applicable rules and provisions of the Florida Bar and relevant laws.

All fees and costs will be billed on a monthly line-item basis, at the end of each month, with a description of the services rendered and the time involved. Time will be billed in increments of 1/10th of an hour or if services are for professional development, after the service is rendered.

In addition to the hourly rate set forth above and although unlikely, other contract assistants may need to be used or hired at reasonable hourly rates, depending upon their experience. The District will also be responsible for the cost of any various out-of-pocket disbursements, including travel expenses, scanning of documents, photocopying, actual long distance telephone charges charged by the telephone company to RISE, facsimile charges, delivery/courier services, etc. Travel expenses may, depending upon amount, be billed as they are incurred. Statements for services, out-of-pocket disbursements and other expenses will be billed monthly.

RISE cannot, of course, guarantee the results of its efforts. RISE, therefore, makes no representations or warranties, either express or implied, concerning the successful determination or outcome of this relationship. Any such statements made during the course of the relationship are based on professional judgment and over 35 years of consulting experience in this area of education law.

ACKNOWLEDGED AND AGREED TO:
