Stilwell Public Schools is participating in a free breakfast and lunch school program for the current school year 2019-2020. All students enrolled in the district may participate in the breakfast and lunch program at no charge. Household applications will not be collected as Stilwell Public Schools is a CEP school district. By providing breakfast and lunch to all children at no charge, we can create a better learning environment for our students. The school breakfast and lunch we serve follows U.S. Department of Agriculture guidelines for healthy school meals. The program cannot succeed without your support as a parent. Please encourage your children to participate in the school meal programs. Again, all meals are served to all students at no charge.
