GENERAL PROVISIONS

Premium Payment: The initial premium is due on the Policy Effective Date unless the Policyholder and the Company agree to another mode of premium payment. Premiums are paid at the Company's home office or to the Company's authorized agent. If any premium is not paid when due, this Policy will be cancelled as of the premium due date of the unpaid premium, except as provided in any applicable Grace Period section.

Grace Period: A grace period of 31 days will be provided for the payment of any premium due after the first. During the grace period, the Policy shall continue in force, unless the Policyholder, has given written notice of discontinuance in advance of the premium due date and in accordance with the terms of this Policy. If the required premium is not paid during the grace period, coverage will terminate on the last day of the grace period. The Policyholder will be liable for the payment of a pro rata premium for the time the Policy was in force during the grace period.

Reinstatement: This Policy may be reinstated if it lapsed for nonpayment of premium. Requirements for reinstatement are written application of the Policyholder satisfactory to the Company and payment of all overdue premiums. Any premium accepted in connection with a reinstatement will be applied to a period for which premium was not previously paid.

Cancellation: If the Company decides to cancel this Policy, written notice will be given to the Policyholder at least 60 days before the date this Policy is to be canceled. If the Company cancels, the earned premium will be computed pro rata and the unearned portion promptly returned.

If the Policyholder cancels this Policy, cancellation becomes effective on the later of the date the Company receives the written notice or the date stated on the written notice. Any unearned premium paid by the Policyholder will be returned immediately; or the Policyholder will immediately pay any earned premium that has not been paid. Earned premium will be computed pro rata.

Policy Administration: The Policyholder will furnish all information which the Company may reasonably require with regard to any matters pertaining to this Policy. All documents, books and records which may have a bearing on this Policy will be opened for inspection by the Company at all reasonable times while this Policy is in force and until the final determination of all rights and obligations under this Policy.

Clerical error (whether by the Policyholder or by the Company), in keeping any records pertaining to the insurance will not invalidate insurance otherwise validly in force, or continue insurance otherwise validly terminated. Upon discovery of such error or delay, an equitable adjustment of premiums will be made.

If any relevant facts pertaining to any Insured's insurance shall be found to have been misstated, an equitable adjustment of the premiums will be made. If such misstatement affects the existence of the amount of insurance, the facts shall be used in determining whether insurance is in force under the terms of this Policy and in what amount.

In connection with the administration of this Policy, the Policyholder shall act as not to discriminate unfairly between individuals in similar situations at the time of such action.

In connection with the administration of this Policy, The Company shall be entitled to rely upon any action of the Policyholder without being obliged to inquire into the circumstances.

Entire Contract: This Policy, and any attached papers make up the entire contract between the Policyholder and the Company. In the absence of fraud, all statements made by the Policyholder or any Insured will be considered representations and not warranties. No written statement made by an Insured will be used in any contest unless a copy of the statement is furnished to the Insured or, in the event of the death or incapacity of the Insured, to their beneficiary or personal representative.

No change in this Policy will be valid until approved by one of the Company's executive officers and endorsed on or attached to this Policy. No agent has authority to change this Policy or to waive any of its provisions. If an enrollment form for an Insured is required, it may also be made a part of this Policy at the Company's option.

PAYMENT OF BENEFITS

Time Limit of Certain Defenses: No misstatements, except fraudulent misstatements made by an Insured in the application, if any, shall be used to void this Policy or to deny a claim for loss incurred with respect to such Insured after the insurance has been in force for two years.

Statements by Insured: A copy of the application, if any, of each Insured shall be attached to this Policy when issued. No statement made by an Insured shall void the insurance or reduce benefits unless contained in a written instrument signed by the Insured. All such statements shall be considered representations and not warranties.

Notice of Claim: Written notice of claim must be given to the Company within 60 days after the occurrence or commencement of the Insured's covered Loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company with information sufficient to identify the Insured, is deemed notice to the Company.

Claim Forms: The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the Company received notice of claim, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured name, the Policyholder's name and the Policy Number.

Proofs of Loss: Written proof of loss must be furnished to the Company within 90 days after the date of the covered Loss. If the Loss is one for which the Policy requires continuing eligibility for periodic payments, subsequent written proofs of eligibility must be furnished as such intervals as may reasonably be required. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to furnish proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Time of Payment of Claims: Benefits payable under the Policy for any Loss, other than Loss for which the Policy provides any periodic payment, will be paid immediately upon receipt of written proof of such Loss. Subject to the Company's receipt of written proof of such Loss, all accrued benefits for Loss for which the Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

Payment of Claims: All or a portion of any benefits provided by this Policy on account of hospital, nursing, surgical or other medical service may, and unless the Insured requests otherwise in writing not later than the time for filing proof of such Loss, be paid directly to the hospital or person rendering such services. Accidental Death, Dismemberment, Loss of Sight, Speech or Hearing Benefits (if applicable) are paid to the Insured, or if not living, to the beneficiary.

Physical Examination and Autopsy: At the Company's expense, the Company may have a claimant examined by a Physician as often as the Company deems necessary while a claim is pending. The Company also has the right to have an autopsy performed unless forbidden by law.

Legal Actions: No action at law or in equity will be brought to recover benefits under this Policy less than 60 days after satisfactory proof of loss has been furnished as required by this Policy. No such action will be brought after expiry of the applicable statute of limitations from the time proof of loss is required to be furnished under this Policy.

Subrogation: The Company has the right to recover all payments including future payments, which the Company has made, or will be obligated to pay in the future, to the Insured from anyone liable for the covered Loss. If the Insured recovers from anyone liable for the covered Loss, the Company will be reimbursed first from such recovery to the extent of the Company's payments to the Insured.

Conformity with State Statutes: Any provision in this Policy that is in conflict with the requirements of any state or federal law that apply to this Policy are automatically changed to satisfy the minimum requirements of such laws.
