5.6.2 When a bargaining unit employee is hired after the employee orientation or when the District does not conduct an orientation, the union shall be permitted to meet with newly hired bargaining unit employees for up to thirty (30) minutes during work hours without loss in compensation or benefits for the newly hired employee or for designated representatives attending the meeting. 6.5 Payroll Deductions

- 6.5.1 The District agrees to deduct from the salaries of its regular employees as requested in writing by the individual employee and make remittance to the appropriate agency for:

 3. Credit Union
 4. Premiums for Board-approved insurance program.
- 6.5.2 The Union agrees to hold the District harmless against any and all claims, suits, orders or judgments brought against the District as a result of the provisions in this Article.
- 6.5.3 Two union representatives, elected or appointed from the chapter, shall be allowed sixteen man-hours of time off without loss of pay annually to attend the Union annual conference. Additional time off without loss of pay may be agreed upon by the parties subject to the make-up of lost time by said employees and the voluntary waiver of any overtime obligations that would otherwise incur.

6.6 Dues Check-off

6.6.1 Union Dues

The District shall deduct from the wages of each bargaining unit member the dues of the Union when it receives a written authorization from the member. The authorization shall remain in effect until and unless expressly revoked by the member.

ARTICLE VII - JOB CLASSIFICATIONS / VACANCY POSTING AND SELECTION

7.1 Availability of Classification Description

The District will retain copies of each job classification, including any changes, in the District handbook for the information of employees. Each employee shall, at the time of initial employment or when a job class has been substantially changed, receive a copy of the job classification description. Copies of the job descriptions will be kept in all buildings for reference.

7.2 New or Reclassified Positions

If the District creates a new bargaining unit job classification or substantially revises an existing bargaining unit classification, it shall provide the new (revised) description to the Union along with a proposed wage rate. Within fourteen (14) days of notification, the Union shall demand negotiations under ORS 243.698 on a permanent wage rate for that classification or the proposed rate shall become permanent. Failure to respond provides consent to the proposed rate.

7.3 Notice to Union and Posting of Vacancies

The District will make available to the Union a list of job openings in the bargaining unit. Such notification of job openings shall be listed electronically on the district website and will be emailed to the classified employees. The postings shall be in the employee lounge in each school and the lunchroom in the maintenance complex.

7.3.1 Summer Vacancies

Whenever vacancies occur during the summer, the vacancies shall be posted at the District office. Classified employees interested in specific vacancies will notify the District office of their interest, in writing, during the regular weeks of school and shall include a summer address and phone number. Should a specified vacancy occur, classified employees who have expressed an interest in the specified position(s) shall be contacted by the District office and notified of the vacancy. A classified employee so notified, shall have the responsibility of contacting the District office within ten (10) working days to indicate their interest in applying for the open position.

7.3.2 Probationary employees are not eligible for transfer to a new position until completion of their probationary period.

7.4 Bidding and Selection

7.4.1 Posting

When a bargaining position has been vacated, the District will post that position within ten (10) working days. Upon mutual consent between the District and Association, the District may increase this timeline. All postings shall clearly outline the position, hours per day, work year, work site, wage and other data which provides the bidder to do so knowledgeably.

The District agrees to post all vacant bargaining unit positions for ten (10) working days. Upon mutual agreement, the District may increase or decrease this timeline in the case of immediate need. The District will endeavor to fill vacancies from within the classified staff.

7.4.2 Internal Selection

Any member of the bargaining unit who meets the posted qualifications may apply for the position. All qualified internal applicants will be granted an interview.

If the District selects an internal applicant for the position, the assignment will be made on the basis of the job description qualifications. If two or more applicants are equally qualified, the most senior employee will be selected.

7.4.3 Selection When External Candidates Are Considered

If external candidates are considered, the bargaining unit member will be selected if better or equally qualified.

7.5 In the event that any member voluntarily transfers to an open position of a lower pay rate, the member will assume lower pay rate at their current step, of the new classification.

7.5.1 If a member transfers from one job classification to another, their overall District seniority is maintained.

7.6 When a member transfers upwards from one job classification to another, they will transfer to the step level nearest their current salary level; upwards transfer to a new job classification does not necessarily start the employee back at salary Step 1.

ARTICLE VIII - LAYOFF AND RECALL

8.1 District-Authority Retention

While the District retains the absolute right to determine the size of its work force, it does agree to follow the procedures of this Article when permanently reducing its workforce.

8.2 Layoff Seniority

If the District determines the need for a permanent reduction (defined to mean a reduction in time or complete position elimination) in its work force, they will identify the positions that will be reduced or eliminated and then notify the Association in writing.

Working with the Association, the two groups will identify the lowest District (VIII.4.1) seniority position in each classification. If two employees have the same District seniority, the member with the lowest classification seniority may be displaced.

Exception - If an employee with greater District seniority has not served in the classification for at least one (1) year within the past three (3) years then priority will be given to the employee with the greatest classification seniority.

Seniority ties shall be broken by lot, done at the time of hire.

8.3 Notification Requirements

A thirty (30) calendar day notice shall be provided to the Union and the affected employees after the employees with the lowest seniority have been identified.

A thirty (30) calendar day notice shall be provided to Special Education Assistants who work one-on-one with individual students if their student became unavailable for any reason.

An employee must notify the District within seven (7) working days after notification, of their intent to exercise their displacement rights. If the employee elects not to displace, they shall;

1. Be placed on a recall list (VIII.7), and/or
2. Choose to remain in their position – and work less hours until a new position with more hours becomes available.

8.4 Seniority means

8.4.1 District seniority means the total time worked with the District since the last date of hire. Any approved leave of absence will not constitute a break in service.

8.4.2 Classification seniority means the total time worked in the employee's current job classification.

8.5 Bumping Rights

Any employee who has been laid off from a position in the classification in which they are working shall have the right to return to a lower or equal paying classification in any Classification Group that they are qualified for by either:

1. Previously completing a probationary period in that Classification (Article IX)
2. If the District determines they are qualified. Employees who are allowed to assume classifications that they do not have previous experience in may be required to complete a Promoted Employee (IX.3) probationary period.

(Note: No employee shall improve their position in the District, in either hours worked or pay range as a result of the bumping process).

The process of displacement will continue through classifications where the employee had worked beyond the probationary period until they have placed or totally displaced.

Exception - Notwithstanding the foregoing, if an employee has not worked in an equal or lower classification outside their current classification for five (5) or more years, the District may refuse to allow the employee to displace personnel in that classification if the displacing employee cannot demonstrate their capability of performing the current duties or demonstrate their capability of that classification due to licensing, duty changes or other conditions which restrict the ability of the employee to correctly perform the duties of that classification.

8.6 Election of Layoff in Lieu of Displacement

An employee maintains their re-employment rights in each eligible class as if they had elected to exercise those rights.

8.7 Recall List

8.7.1 Lists

Following a reduction in workforce, affected employees shall be placed on a recall list ranked by District seniority and shall be notified as openings occur. The names of all employees placed on a recall list shall remain on that list for twenty-seven (27) months unless they are:

1. Recalled from the list into a position which compensates them at a level they previously held (VIII.7.4)
2. Properly stricken (VIII.7.3)

8.7.2 New Vacancies

New Vacancies that occur while members remain on a recall list shall be posted within the district with regular posting rules (Article VII) to help expedite filling the position. However, notice will be written on the posting that internal recall list applicants will be considered first.

Provided the recall list employees have the ability to perform the duties of the posted position, they would have the opportunity to apply for those positions and or increased hours. The vacancy will then be filled from the recall list with priority being given to qualified members with the highest District seniority. The recall list shall take precedence over new hires. If no recall list employees are qualified then other applicants will be considered.

8.7.3 Notice of Recall

Any employee who is on the recall list shall be notified in writing by the District of an opening. Such notice shall be sent by:

1. Email to the most current personal email on file and if no response within forty-eight (48) hours, then:
2. Certified return receipt mail to the last address given the District, which shall acquit the District of its notification responsibility.

8.7.4 Failure to Respond - Termination

An employee who fails to respond within ten (10) workdays shall be removed from the recall list.

8.7.5 Re-Employment in Highest Class

Employees shall be recalled for all positions they are qualified for. Employees who accept a position that pays less than their highest former classification shall retain their original twenty-seven (27) months rights to the higher paid position.

8.7.6 Rights to Apply for Vacancies

Any person, who is listed on a valid layoff/recall list, as provided for in this Article, shall have the same right to apply for vacancy opportunities as if they were actively employed.

Vacancies that occur while members remain on a recall list shall be posted within the District. Provided the employees have the ability to perform the duties of the posted position, current employees would have the opportunity to apply for those positions and or increased hours. The vacancy will then be filled from the recall list. The recall list shall take precedence over new hires.

ARTICLE IX – PROBATION

9.1 Overview

The parties recognize that the probationary period is an integral part of the employee selection process and provides the District with the opportunity to upgrade and improve operations by observing an employee's work, training and aiding employees in adjustment to their positions, and by providing an opportunity to reject any employees whose work performance fails to meet required work standards.

9.2 New Employee

Every new employee shall serve a maximum probationary period of one hundred-fifty days (150) workdays (eight (8) months) of employment unless it is increased by mutual consent (IX.3.a).

9.3 New Employee Evaluations

- a. During the probationary period employees will have at least two (2) evaluations. The first evaluation will be within sixty working (60) days of employment, and the second will be within one hundred working (100) days of employment. After the second evaluation, if it is determined that an extended probation is necessary the District and the Association will mutually agree to an extension up to fifty (50) working days. The extension will be accompanied by a Plan for Improvement which will detail the areas of improvement necessary, the timeline and the process for achieving the improvements.

- b. Plan of Improvement – The immediate supervisor will hold a conference with the employee and Union representation. The immediate supervisor will outline the nature of the problem(s) and listen to any comments from the employee. The immediate supervisor will indicate compliance with specified procedures or cessation of certain conduct if required and future consequences if directives are ignored, typically termination. A Plan of Improvement will be mutually developed with the employee, Union representation and the District. A final assessment will be done when the plan has been completed to determine employment status.

9.4 Promoted Employee

An employee who has been promoted within the bargaining unit shall serve on probation in their new position for a period of sixty (60) work days during which time the District will make reasonable efforts to provide the necessary training to be successful. An employee moving to a new classification will receive the new rate on their first day of the new position. Their step will be set at whatever step ensures that there will be no loss of pay. Step advancement will occur at the same time as all other employees.

9.5 Probation - Completion

Employees completing their probation period shall be considered as satisfactorily completing said service whether written notice of successful completion is provided or not.

9.6 Release of Probationers -- New Employees

Employees on initial probation may be released for any reason, without any required explanation or without access to the grievance or disciplinary provisions of this contract.

9.7 Release of Promoted Probationer

An employee on promotional probation shall be returned to their previous position or another position with equal compensation which they are qualified for, if in the District's judgment their performance fails to meet required work standards or if the employee elects to do so within thirty (30) work days following the initial date of work in the new assignment.

ARTICLE X - WORK SCHEDULE AND OVERTIME

10.1 Hours of Work:

A full-time work schedule shall consist of forty (40) hours within the designated workweek, worked on the basis of five (5) eight (8) hour days or four (4) ten (10) hour days. To the extent consistent with the operational needs and requirements of the District, such workdays shall normally be consecutive as scheduled by the District.

To the extent consistent with the operational needs and requirements of the District, the District will schedule work on a Monday through Friday basis. The District reserves the sole discretion over operational needs and requirements. Nothing in this article or any other part of this Agreement shall be construed as a guarantee of hours of work.

When it is found necessary to change the work schedule of any employee, the District agrees that it will give as much prior notice as possible; except in cases of emergency, employees should normally expect notice of at least one (1) week.

10.2 Overtime

10.2.1 Rates

Classified employees working in excess of forty (40) hours within any workweek shall be compensated at the rate of time and one-half (1 & 1/2) for all such time.

10.2.2 Required Overtime

In the event that sufficient acceptable personnel do not accept overtime on a voluntary basis or in the event of an emergency, such additional persons, as are deemed necessary by the District, shall be required to work overtime. Planned overtime shall be offered first on a voluntary basis.

10.2.3 Advance Notice of Overtime

To the extent determined feasible by the supervisor, the District shall provide advance notice of overtime assignments. Failure of a supervisor to provide advance notice, when it could have reasonably been done, shall not be deemed an emergency.

10.2.4 Overtime on Paid Holiday

Notwithstanding the foregoing, any person required to work on a paid contract holiday shall, in addition to receiving their pay for the holiday, receive time and one-half (1 & 1/2) of any and all hours required to work on said holiday.

10.2.5 All Paid Status Time is Work Time

For the purpose of determining when overtime is earnable, all paid status time shall mean time worked.

10.2.6 Comp Time

Comp time shall be in lieu of pay and agreed to by both the employee and the management for any time worked outside of an employee's regularly scheduled hours. The District will provide a form for tracking and approval. No employee may authorize overtime for themselves. If additional hours or overtime is required it must be agreed upon by the employee and supervisor at least four (4) hours in advance before being worked.

Comp time shall be accrued hour for hour for hour worked up to forty (40) and for hours worked over forty (40) per week comp time shall be accrued hour for hour and one-half (1 & 1/2) per over time law.

Employees may not accrue more than thirty (30) hours of compensatory time. Any compensatory time over thirty (30) hours shall be paid as overtime on the next pay cycle.

Comp time shall be tracked by the immediate supervisor and can be used with the approval of the immediate supervisor with adequate notice.

Unused comp time will be paid out June 30th of each year.

10.3 Call Back

Any employee who is called back to work shall receive pay for a minimum of two (2) hours. Split shift does not qualify for callback.

If the call back requires overtime, the proper rate will be paid.

10.4 Reporting - Minimum Work

If an employee reports for work but is subsequently sent home, they shall be paid for a minimum of one-half (1/2) their normal shift or two (2) hours, whichever is greater. "Normal shift" means also that split shift personnel must add all assigned time for a regularly scheduled workday to determine normal shift.

10.5 Lunch Periods

Each employee who works five (5) hours and one (1) minute or more in a day shall be accorded a lunch period of not less than one-half (1/2) hour. Such time as scheduled by the employee's supervisor shall be their lunch period. Such lunch period shall not be credited as time for any purpose. Employees employed in the following classification shall receive a half-hour paid lunch period as part of their eight (8) hour day; Secretary, Technology Assistant, Library Aide, Custodian I, and Nutrition I.

The District further agrees it will not reduce the length of the workday solely to avoid the payment of insurance premiums.

23.4 Leaves of Absence

An approved unpaid leave of absence of less than thirty (30) days shall not interrupt any insurance coverage to which the employee is entitled. Any absence of thirty (30) days or more shall be covered in accordance with the provisions of the COBRA Act.

24.1 Defined

For the purpose of this Agreement, the term "grievance" shall mean a dispute between the Union and the District or between any employee and the District concerning the interpretation, application, claim of breach or violation of this Agreement.

24.2 Step 1

24.2.1 Informal/Formalization

If an employee believes they have cause for a grievance, they shall contact their Union representative and/or immediate supervisor, in an attempt to settle the matter. If after discussion with the immediate supervisor, the grievant does not feel the grievance has been properly adjusted, the grievance may be reduced to writing and presented to the immediate supervisor within ten (10) working days.

The Grievance statement shall include the following:

1. A statement of the grievance, clearly indicating the questions raised by the grievance and the Article(s) and Section(s) of this Agreement which the grievant feels has been violated.
2. The remedy or correction requested.
3. The date of occurrence.

24.2.2 Supervisor's Response

The aggrieved employee's immediate supervisor shall give their answer to the grievance in writing within ten (10) working days from the time they receive the written grievance.

24.3 Step II

24.3.1 Within ten (10) working days of receipt of appeal from Step I, the Superintendent shall submit a written response. If the Superintendent sets a meeting on the grievance, it shall be ten (10) working days thereafter.

24.3.2 If the second step grievance answer is not satisfactory to the Union, the Union may appeal the grievance to arbitration.

24.4 Step III - ARBITRATION

24.4.1 Request in Writing

The request for arbitration must be given in writing to the District by the designated representative of the Union within fifteen (15) working days from the date of the step decision.

24.4.2 Selection of Arbiter

Unless the parties can agree upon an arbitrator, an arbitrator shall be selected through a joint request to the Employment Relations Board for a list of not less than five (5) qualified arbitrators. Unless the arbitrator is selected in accordance with the procedure prescribed by the ERB, the parties shall each strike two (2) names, each party alternately striking one (1) name from the list and the remaining person shall be accepted as the arbitrator.

24.4.3 Contract Interpretation

It is understood that the arbitrator will only interpret the Agreement and will in no instance add to, delete from or amend any part thereof. The arbitrator's decision shall be final and binding on both parties, within their scope of authority.

24.4.4 Court Reporter

A court reporter shall not be required for the arbitration proceedings, but may be requested by the District, the Union or the arbitrator:

1. If the services of a court reporter are requested by the arbitrator, the cost shall be borne equally by the District and the Union.

2. If the services of the court reporter are requested by the Union, the cost shall be borne by the Union.
3. If the services of the court reporter are requested by the District, the costs shall be borne by the District.

24.4.5 Other Fees

All other fees of the arbitration process shall be borne equally by the District and the Union.

24.5 GENERAL

24.5.1 Joint Grievances

A written grievance involving more than one (I) employee will be filed by the Union representative for and on behalf of the employees.

24.5.2 Waiver of Timelines

By mutual agreement of the grievant and the District, time limits established in grievance procedure may be extended by a specified period.

24.5.3 Timelines - Failure by District to Respond

If an answer is not received within the time limits established in grievance procedure, the aggrieved party may process the grievance to the next highest step of the grievance procedure.

24.5.4 Grievance Forms

Grievances will be filed on grievance forms provided by the Union.

24.5.5 Grievance of Issues New in Contract

No issue whatsoever shall be arbitrated or subject to arbitration unless such issue results from an action or occurrence which takes place following the execution date of this Agreement and no arbitration determination or award shall be made by the arbitrator which grants any right or relief for any period of time whatsoever prior to the execution date of this Agreement, unless the grievance clearly applied to the provisions of the previous Collective Bargaining Agreement.

24.5.6 Election of Remedies

It is specifically and expressly understood that the initiation of action by grievant, their representative or the labor organization in another available forum constitutes an election of remedies and shall be considered as the voluntary waiver of any right to arbitrate said subject matter.

24.5.7 No Loss of Pay

Representatives designated by the Union shall not suffer loss of pay or benefits when meeting with supervisors or other District representatives concerning official written grievances. It is understood that the District shall not incur overtime liability as a result of such proceedings.

ARTICLE XXV - RESIGNATIONS

25.1 Notice

All members of the bargaining unit shall provide the District with at least two (2) weeks notice of their pending resignation.

25.2 Failure of Notice

Any person who is employed on a less than twelve (12) months basis and did not notify the District of their decision not to return in the Fall, shall make a notice of resignation not later than August 1 unless circumstances mitigate against such notification.

25.3 Midyear Retirements and Temporary Contracts

In the event that a District classified employee retires and begins receiving benefits from the Public Employees Retirement System (PERS) prior to the end of the school year, to minimize the disruption for students, they may be retained by the District in their current position until the end of the school year subject to the provisions of ORS 238.082.

All requests for continued employment must be submitted in writing to the Superintendent no later than sixty (60) calendar days before retirement. Request will be considered based on the criteria outlined in policy GDPB/GDPB-AR.

25.3.1 The retiree will be issued a temporary contract and remain a member of the bargaining unit with all the rights, privileges and obligations under the current negotiated agreement except those removed in this section.

25.3.2 The District will pay the retiree on a per diem basis based upon the annual salary of the retiree at the date of retirement.

25.3.3 The retiree shall accumulate one (1) day of sick leave per month, but these days shall not be added to the accumulated total prior to retirement or counted toward any District/PERS retirement benefit. No additional paid leave days shall be available.

- 25.3.4 The District shall continue to provide medical insurance for the retiree in whatever plan or status the employee was provided prior to retirement. Employees may return to work after a mid-year retirement according to the PERS/OPSRP guidelines based upon their individual Tier or plan enrollment eligibility. Employees are responsible to monitor and track their own hours, in consultation with their retirement advisor, to avoid a payback penalty to the pension program.

Post-retirement hour limitation compliance is not the responsibility of the District.

Employee is responsible to track their own hours to ensure that they are not over limited hours. See notes in above section;

There shall be two (2) signed official copies of this final Agreement for the purpose of records. One (1) shall be retained by the District and one (1) by the Union.

26.2 Separability of Contract Provisions

In the event that any provision of this Agreement should, at any time during its effective period, be declared unlawful and unenforceable by any court of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof directly specified in the decision. Such decision shall not invalidate the entire Agreement, it being the expressed intention of the parties hereto, that all other provisions of this Agreement not declared unlawful and the Agreement as a whole shall remain in full force and effect for the term thereof.

26.3 Funding

The parties clearly recognize and agree that revenues needed to fund this Agreement must be approved annually by established budget procedures and are contingent upon sources of revenues and budget approval. Therefore, the Union recognizes and accepts that the District cannot and does not guarantee any level of employment in the bargaining unit inconsistent with its ability to fund same and cannot and does not guarantee passage of budget requests pursuant to established budget procedures. Furthermore, it is agreed that if funds are not available to finance the economic-related provisions of this Agreement, the parties shall negotiate those provisions upon the notification to the Union by the District.

26.4 Printing of Agreement

The Board and the Association agree to share equally the cost of printing the Agreement.

ARTICLE XXVII - DISMISSAL

27.1 Discipline/Dismissal Procedures

27.1.1 Regular employees of the bargaining unit will be disciplined according to the severity and frequency of the conduct at issue using progressive discipline. Discipline may be in the form of verbal reprimand, written reprimand or potential dismissal depending on the circumstances of each case. Progressive discipline will generally follow this sequence:

27.1.2 "Verbal Reprimand:" The immediate supervisor will hold a private conference with the employee. They will outline the nature of the problem and listen to any comments from the employee. The immediate supervisor will indicate compliance with specified procedures or cessation of certain conduct is required and future consequences if directives are ignored;

27.1.3 "Written Reprimand:" The immediate supervisor will hold a private conference with the employee and Union representation. The immediate supervisor will outline the nature of the problem and listen to any comments from the employee. The immediate supervisor will indicate compliance with specified procedures or cessation of certain conduct is required and future consequences if directives are ignored. A "letter of reprimand" shall be written and placed in the employee's personnel file.

27.1.4 "Plan of Assistance:" The immediate supervisor will hold a conference with the employee and Union representation. The immediate supervisor will outline the nature of the problem and listen to any comments from the employee. The immediate supervisor will indicate compliance with specified procedures or cessation of certain conduct is required and future consequences if directives are ignored, typically termination. A "Plan of Assistance" (see Exhibit A) will be mutually developed with the employee, union representation and the District. A final assessment is done when the "Plan of Assistance" has been completed to determine employment status;

The plan of assistance will identify a reasonable length of time (not less than two (2) weeks and not more than six (6) weeks) for the employee to improve their performance. By mutual agreement, the length of time may be extended. During this time, periodic evaluations will be conducted and the employee will receive feedback.

27.2 Notification of Deficiencies

Regular members of the bargaining unit shall be suspended without pay or dismissed only after due process procedures have been initiated to permit employees to overcome the cited deficiencies.

27.3 Discipline/Dismissal Only for Cause

However, a regular classified employee shall be disciplined/dismissed only for cause.

27.4 Appeals

A regular employee has the right to appeal their dismissal informally to the Board, within fifteen (15) days of their dismissal under the provisions of ORS 241663. In the alternative they may elect to have the matter appealed to arbitration through the grievance procedure. If the appeal is to the Board of Directors, the decision of the Board shall be final and binding and shall constitute a waiver of any rights for a hearing before an arbitrator. Such employee may be represented by a Union representative at such hearing.

27.5 Suspension - Flagrant Misconduct

Nothing herein is intended to prevent the District from immediately suspending an employee where the conduct of the employee is judged by the Superintendent to be flagrant and warrants immediate action. In these instances, no plan of assistance is required.

27.6 Probationary Employees

Probationary and temporary employees are excluded from this article.

ARTICLE XXVIII - PARENTAL LEAVE

28.1 Conformance

28.4.2 An employee may also use sick leave or accumulated paid leave during the time of the parental leave, but is not required to do so. If it is legally held that an employee may not use sick leave in conjunction with parental leave, then the law shall prevail.

28.4.3 The parental leave shall be unpaid except as provided in Sections 28.4 (a) and (b) above.

28.5 Procedures

The employee shall, unless circumstances do not permit, request date alternation within seven (7) days of the unanticipated action causing necessity for the change.

If the employee fails to give notice, then the District may require the leave to commence at a time up to three (3) weeks after the notice and reduce the leave term by up to three (3) weeks.

28.6 Return to Duty

The employee shall be returned to their former position or an equivalent position or if circumstances are changed, then returned to any other position which is available and suitable.

28.7 Break in Service
