K-12 Principal Announcement

We are pleased to announce that Keelie Caudill has been selected as the new K-12 Principal for Sherman County School, pending Board approval on August 9, 2021.

Following a lengthy search, Mrs. Caudill rose as the top candidate above a competitive group of professional educators. She was selected after a thorough interview process of seven candidates, which considered feedback from a panel consisting of teachers, support staff, and responses from in-depth reference checks.

Mrs. Caudill received her Bachelor of Science in Advanced Mathematics and Social Work, Master of Arts in Teaching, and her administrative credentials through George Fox University. During her undergraduate time at George Fox she was an academic scholar and four year varsity athlete in Basketball and Track. She has taught high school mathematics in three different Oregon school districts the past 23 years (Heppner – 2 years, Pendleton – 5 years, and Gresham Barlow – 16 years).

We feel confident that Mrs. Caudill will build upon the strengths of our school as she focuses on teaching/learning, listening, developing relationships, and promoting a positive climate/welcoming environment for all staff, students and families.

Mrs. Caudill and her husband grew up in Eastern Oregon and they both appreciate small school communities.

Please join me in welcoming Keelie Caudill to Sherman County. We are delighted to have an individual who is eager to immerse herself in school and community activities. If you see her around Sherman County, please give her a warm welcome.

As always, I encourage your feedback and participation in the life of Sherman County School. I welcome your comments or questions. Please give me a call at 541-565-3500 or send me an email at wowens@sherman.k12.or.us.

Thank you for your support of Sherman County School!

Wes Owens
Superintendent
