1. Creating Safe and Healthy Learning Environments: Determined if ARP funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening school, in order to continuously and safely open and operate schools for in-person learning. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.

Program Code	Practice	Description	Project	ted Amount	Notes
186, 187, 188, 189, 190, 192	Systemic Procedures	*Actions or systems implemented to prevent, prepare for, and respond to COVID-19. *Meeting the nutritional needs of underserved students. *Supporting student mental health needs. *Locating absent students and reengaging disconnected youth. *Providing safe and inclusive learning environments. *Providing healthy learning environments.	\$	75,000.00	
196, 197	Facilities	School facility repairs and improvements to enable operation of schools to reduce risk of COVID-19 transmission and exposure to environmental health hazards, and to support student health needs.	\$	117,585.27	

2. Addressing Lost Instructional Time or Loss of Learning: Describe how the LEA will use the funds it reserves under Section 2001 (e) (1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions include the personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidence based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence based practices resources may be found on page 7 of Empowering Schools for Success Using Effective Evidence Based Practices to Impact Student Outcomes. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.

impacted by the COVID-19 pandemic, including students form low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students. Our district provided summer school for students K-11, to close the gap of loss of instruction due to learning loss with the COVID-19 impact. Dyers School District will respond to academic, social, emotional, and mental health needs of all students, and particularly students who were disproportionately impacted by the COVID-19 pandemic. This includes low-income families, students of color, English learners, children with disabilities, students experiencing homelessness children in foster care, and migratory students. 2B. Process for Evaluating Implementation: Please describe how the LEA will evaluate the effectiveness of these interventions. Evaluation: The process for evaluating our implementation will consist of walkthroughs, PLC meetings, formative assessments, summative assessments, disproportionality data, credits, attendance, pass rate, graduation rate, I station, ACT Aspire, Advance Placement, (AP) exams, surveys and wellness/social/emotional data 3. Supporting Educator and Staff Stability and Well-Being: Determine if ARP funds will be used to support educator and staff stability and well-being consistent with Section 2001 € (2) of the ARP Act. Districts may select evidence-based practices (pre-filled below) included in the LEA Plan for Use of ARP ESSER Funds or add additional rows to describe the practice and evidence that will be utilized by the district.
