

SUPERINTENDENT MESSAGE

Well it is that time of year again, our softball and baseball teams are wrapping up very successful seasons, and in a few short weeks we will be welcoming staff and students back to school for the 2021-2022 school year. Like every new year this year brings with it both excitement and trepidation as we look forward to returning to a more "normal" school year. I want to thank all of you who provided feedback on the draft of our Return to Learn

Plan. We are in the process of reviewing the comments, questions, and concerns and will take those into consideration as we update our plan. A final version of the plan will be taken to the board in August for their approval. We are working towards a return to normal with regards to our schedules and procedures, while continuing heightened cleaning and sanitation efforts.

As I was looking back on my article

from last year, I found it fitting that a major focus of that article was on the need for creating and sustaining meaningful relationships. As we look to embark on the upcoming school year we will once again make this our focus as our entire staff will be going through Capturing Kids Hearts training (CKH). The training will provide all of us with tools and processes to foster meaningful relationships within our district. I am excited for our staff,

myself included, to engage in this process.

We are once again going to be welcoming several new staff to our district this fall and are excited about them joining our team. I have provided you all with a list of our new staff members as of July 22nd.

Please help me in welcoming them to our district when you get a chance to meet them:

BUILDING SAFETY MEASURES

In an effort to maintain a safe environment in our schools, all staff in Winterset will be wearing their staff identification badges while on any Winterset School Campus. Additionally, ALL visitors are expected to check into the office of any school building during regular business hours (7:30 a.m. – 3:30 p.m.) each time they visit the school. Visitors will need their driver's license or state issued identification card

to check in. Our system, LobbyGuard, checks state and national databases for individuals who are on the sex offender list. Once a visitor has been cleared, they will be issued a Visitor Badge. This must be worn at all times while in the building. Our staff will be asking people who do not have a badge to return to the office immediately. While this may be a slight inconvenience, this measure will provide better protection for our students.

Making Friends - Help for Children, Kids, Tweens, Teenagers and Parents

This information is included in our Guide to Parenting Teens
<https://www.boystown.org/parenting/guides/Pages/parenting-teens.aspx>

The thought of entering school hallways and classrooms fills some tweens with panic for the simple reason that they don't have any friends, or they are changing schools and have to start all over making new friends.

Does this sound like your tween? Have you noticed that he or she seems to lack the skills to make and keep friends? Has he or she changed schools recently but failed to find new friends?

Your tween doesn't have to be the most popular kid in school to be happy. Having just one or two good friends can make the difference between being miserable and being fine. The ability to make friends varies from person to person. For some people, it's easy; for others, it's very difficult. Making friends is a skill, just like learning to ride a bike or playing the piano. While it might require more effort and practice for some people, it can be learned.

Here are some tips for your tween to think about and practice:

Recognize what you have to offer. Think about your positive qualities. Write them down, if that will help, and look at your list several times a day. Remind yourself that other people feel the same way you do-you just can't see that they're insecure, too.

Develop a sense of humor. Learn to laugh at yourself and your shortcomings-it will relieve some of the stress in your life. If you ever feel like poking fun at someone, let it be you, never anyone else. Smile even if you feel insecure-you might discover the smiles taking over the inside as well as the outside!

Respect the rights of others. Learn how to listen to others without putting them down or trying to convince them that your opinion is the only valid one. It's fun to look at things from another angle.

Be kind. If you are kind to others, they probably will be kind to you. There are, of course, exceptions to that rule, but you'll be happier if you start out by assuming the best about someone. Give a classmate a sincere compliment. Wave to an acquaintance. There are hundreds of little things you can do to show kindness.

Try not to complain. People get tired of listening to whining. Learn to accept what you can't change, and work hard to change what you can.

Avoid the trap of "rejecting the rejecters." If you're not chosen for the team or invited to a party, don't hate those who are. You only punish yourself when you carry hate and revenge around inside you.

My ADULTING Chart

Are YOU ready to be on your own?

Dear Parents and Guardians,

Per the Iowa Department of Public Health Website; <https://idph.iowa.gov/adolescent-health/young-people>

Teens need an annual well exam with their medical provider even when they are healthy. The teen years are important in adopting and maintaining healthy habits, avoiding health damaging behaviors, and preventing disease. When you consider that the teen years are a period of intense growth, physically, socially, and mentally it's understandable that it's also a time full of questions and concerns.

The annual well-visit is more than a physical exam. It is a time for you and your teen and their medical provider to talk about anything that is troubling either of you. Although either of you might be embarrassed or afraid to ask, a medical provider has the knowledge to answer all your health questions, no matter what it is. Nothing is off limits! An important part of the well-visit is this conversation about the challenges of adolescence. These issues affect health and wellness!

Schedule a routine well exam for your preteen and teenagers this summer to be sure they are healthy and up to date on **ALL recommended** vaccinations to stay healthy for life.

There are several vaccinations that are not required by schools but are recommended for your preteen and teen by the American Academy of Pediatrics as well and the Centers for Disease Control.

These recommended vaccines are;

- **HPV (Human papillomavirus)** - The best way to prevent contracting the most common types of HPV is to receive the HPV vaccine series. HPV vaccine is CANCER PREVENTION! ,
- **Hepatitis A** - Hepatitis A is a highly contagious liver disease caused by the hepatitis A virus. It is the most common form of viral hepatitis and one of the most frequently reported vaccine preventable diseases in the United States.
- **Influenza**-Influenza vaccine is the best way to protect against the flu. Getting vaccinated not only protects you, but also prevents you from spreading the disease to your family, friends, and co-workers.
- **Meningococcal B** - Meningitis is a term describing an inflammation around the membranes (meninges) surrounding the brain.

The above information was taken from the Center for Disease Control. Below is a link to the Center for Disease control where you can access more information on recommended immunizations.

Seamless Summer Option

Frequently Asked Questions About Free And Reduced Price School Meals

Dear Parent/Guardian:

Children need healthy meals to learn. **Winterset Community School District** offers healthy meals every school day. Your school is offering no cost meals in school year 2021-2022 through the Seamless Summer Option. The free and reduced price application may be needed by your school for other programs, such as P-EBT.

If you need assistance completing this web-based application contact **Stacy Hilsabeck, (515) 462-2718 or shilsabeck@winterset.k12.ia.us**

Below are some common questions and answers to help you with the application process.

1. **WHO CAN GET FREE OR REDUCED PRICE MEALS?**

- All children in households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP-formerly Food Assistance in Iowa), the Family Investment Program (FIP) or a few specific Medicaid programs are eligible for free or reduced price meals.
- Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- Children may receive free or reduced price meals if your household's income is at or below the limits on the Federal Income Eligibility Guidelines below. (Requires submitting an Application for Free and Reduced Price Meals/ Milk.)

FEDERAL INCOME ELIGIBILITY GUIDELINES for School Year 2021-2022

Household Size	Yearly	Monthly	Twice per Month	Every Two Weeks	Weekly

3	40,626	3,386	1,693	1,563	782
4	49,025	4,086	2,043	1,886	943
5	57,424	4,786	2,393	2,209	1,105
6	65,823	5,486	2,743	2,532	1,266
7	74,222	6,186	3,093	2,855	1,428
8	82,621	6,886	3,443	3,178	1,589
Each additional person:	8,399	700	350	324	162

SHOULD I COMPLETE OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE OR REDUCED PRICE MEALS? No, but please read the letter carefully and follow the instructions. If any children in your household were missing from your notification, contact: **Stacy Hilsabeck (515) 462-2718 or shilsabeck@winterset.k12.ia.us** immediately as eligibility for free or reduced price meals is extended to all school age children in a household. If you did not receive a letter from the school, but received a Free Lunch Notice from DHS, submit this letter to your children's school. You may add any students living in your household who are not listed on the letter. Also, if someone in your household receives food assistance and you did not receive either of these letters, you may complete an application listing the case number as this will qualify all school age children in your household for free meals. If you were informed that your children will get reduced price meals automatically, see the income guidelines above and if you feel you would qualify for free meal benefits, complete an application for free and reduced price meals.

- 2. **WHAT IF WE HAVE FOSTER CHILDREN?** Households with foster and non-foster children may choose to include the foster child as a household member, as this may help other children in the household qualify for benefits. If the foster family is not eligible for free or reduced price meal benefits, that does not prevent a foster child from receiving free meal benefits.
- 3. **HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please contact: **Natalie Montross, nmontross@winterset.k12.ia.us**.

4. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. *Complete the Web-based Application for Free and Reduced Price School Meals for all students in your household.* We cannot approve an application unless complete eligibility information is submitted, so be sure to complete all required information.
5. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes.
Your child's application is only good for that school year and for the first few days of this school year, through **October 4, 2021**. You must complete a new application unless the school told you that your child is eligible for the new school year. When the carry-over period ends, unless you are notified that your children will receive free meals or you submit an application that is approved, the children must pay full price for school meals. The school is not required to send a reminder or a notice of expired eligibility.
6. I GET WIC. CAN MY CHILDREN GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced price meals. Please complete the web-based application.
7. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.
8. WILL THE INFORMATION I GIVE BE CHECKED? Yes. We may also ask you to send written proof of the household income you report. You are not required to provide proof with your web-based application.
9. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free or reduced price meals if the household income drops below the income limit, if your household size goes up, or if you start getting SNAP, FIP or other benefits.
10. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: **Cammy Leners 9515) 462-2718 or cleners@winterset.k12.ia.us**.
11. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
12. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens please type a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
13. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. There are currently no active Military Housing Projects in Iowa as found on [Active Military Housing Projects](#). Any additional combat pay resulting from deployment is also excluded from income.
14. DO I NEED TO PROVIDE MY SOCIAL SECURITY NUMBER? Only the last four digits of the Social Security Number of the household's primary wage earner or another adult household member (or an indication of "none") is needed.
15. WHO CAN GET FREE MILK? If your school participates in the Special Milk Program for half day kindergarteners, your kindergarten child may be eligible for free milk. Children who buy extra milk with a meal or if they eat breakfast or lunch and have an afternoon milk break, they are not eligible to receive free milk.
16. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for SNAP or other assistance benefits, contact your local assistance office or call **1-877-347-5678**. Your children may be eligible for Hawki (children's health insurance) or a waiver of school fees. Read the information included in the web-based application for Hawki information. A school waiver form may be part of the web-based application or available from your child's school.
17. CAN CHILDREN WITH DISABILITIES GET FOOD SUBSTITUTIONS? If a child has a disability, as determined by a licensed medical professional, and the disability prevents the child from eating the regular school meal, the school will make substitutions prescribed by the licensed medical professional. If a substitution is needed, there will be no extra charge for the meal. Please note, however, that the school is not required to make a substitution for a food allergy, unless it meets the definition of disability. Please call the school for further information.
18. DO I NEED TO REPORT MY RACE AND ETHNICITY? It is optional to complete the racial/ethnic portion of the application however if you do not select race or ethnicity, one will be selected for you based on visual observation.

19. If you decide you do not want to complete an application electronically, you can obtain a paper application by contacting Stacy Hilsabeck (515) 462-2718 or shilsabeck@winterset.k12.ia.us
20. Translated applications are available at: <http://www.fns.usda.gov/school-meals/translated-applications>.

If you have other questions or need help, call **(515) 462-2718**.

NO PASS - NO PLAY RULE

In accordance with the Iowa Department of Education's No Pass-No Play rule, Winterset High School and the Iowa High School Athletic Association require students to pass all full credit classes each term to be eligible to participate in co-curricular/extra-curricular activities. Students must complete a full season or ineligibility will carry over to the next sport or activity. Please read further details in the Code Of Conduct, "Eligibility Requirements."

ELIGIBILITY FOR CO-CURRICULAR ACTIVITIES

“Co-curricular activities” means interscholastic athletic competition, music programs, drama and speech programs, clubs and organizations, and all other programs and activities in which students may participate under the sponsorship of the district.

To be eligible to participate in co-curricular/extra-curricular activities during any term, a high school student must be passing all full credit classes at the end of the previous term. If the student is not passing all classes at the end of the term, the student will be ineligible to participate for the first period of 30 consecutive school days in the interscholastic athletic event in which he/she is a bona fide contestant. If not passing all classes at the end of final grading period of the school year and student is a contestant in baseball or softball, student is ineligible for next four weeks of that sport but has eligibility in the fall. Students in fine arts (speech, debate, band, and vocal) are ineligible for 30 consecutive school days after each grading period. In order to participate in athletic activities, each student must pass a physical exam and be covered by a school accident policy or home insurance with a family accident policy and have the physical exam form and Parent-Permit-Insurance Form plus Warning Agreement on file. A student must attend class and/or study hall at least the last two blocks on the day of a co-curricular/extra-curricular event in

order to participate in or attend the activity unless advance approval has been granted by the principal and/or activities director.

To be eligible to participate in co-curricular activities, Junior high students must be passing all classes. An eligibility list will be maintained on a biweekly basis (every two weeks). Students who are not currently receiving at least a 68% in graded classes and a “satisfactory” in upgraded classes will be ineligible for contests or performances during the next two (2) weeks until the next eligibility list is posted; students must continue to practice and abide by all team rules.

In order to participate in athletic activities, each student must pass a physical exam and be covered by a school accident policy or home insurance with a family accident policy and have the physical exam form and parent-permit-insurance form plus warning agreement on file. Each student must also sign and have their parent/guardian sign a form stating that they have received and have no questions regarding the Code of Good Conduct.

A student must attend class and/or study at least the last two (2) periods on the day of an extracurricular event in order to participate in or attend the activity unless advance approval has been granted by the principal and/or activities director.

PUBLIC CONDUCT ON SCHOOL PREMISES

Spectators are permitted to attend school sponsored or approved extracurricular activities only as guests of the school district, and as a condition of such permission, they must comply with the school district's rules and policies. Spectators will not be allowed to interfere with the enjoyment of the students participating, other spectators, or with the performance of employees and officials supervising the school sponsored or approved extracurricular activity. Spectators, like the student participants, are expected to display mature behavior and sportsmanship. The failure of spectators to do so is not only disruptive but embarrassing to the students, the school district, and the entire community.

To protect the rights of students to participate without fear of interference, and to permit the sponsors and officials of sponsored or approved extracurricular activities to perform their duties without interference, the following provisions are in effect:

- Abusive, verbal, or physical conduct of spectators directed at

participants, officials, or sponsors of sponsored or approved extracurricular activities or at other spectators will not be tolerated.

- Verbal or physical conduct of spectators that interferes with the performance of students, officials, or sponsors of sponsored or approved extracurricular activities will not be tolerated.

- The use of vulgar or obscene language or demeaning expressions directed at students, officials, or sponsors participating in a sponsored or approved extracurricular activity or at other spectators will not be tolerated.

If a spectator at a sponsored or approved extracurricular activity becomes physically or verbally abusive, uses vulgar or obscene language, demeaning expressions, or in any way impedes the performance of an activity, the spectator may be removed from the event by the individual in charge of the event and the superintendent may recommend the exclusion of the spectator at future sponsored or approved extracurricular activities.

ACTIVITY PARENTS' CODE OF CONDUCT

As the parent of an activity participant, I will:

- Remember my child participates in educational activities for fun
- Do my best to understand the purpose of educational activities which always puts education first.
- Remember my attendance at an interscholastic activity is a privilege, not a right.
- Always conduct myself with character and insist my child do the same, even when it is not the popular thing to do.
- Treat all people (coaches/advisors, contestants, contest officials, other spectators) with respect at all times and insist my child do the same.
- Support all students participating – not just my child.
- Be gracious in victory and accept defeat with dignity
- Honor the spirit and intent of the rules under which my child participates.
- Never demonstrate threatening or abusive behavior or use foul language.
- Try my best to be a fan, not a fanatic!

The Parent & Coach/Advisor Relationship

The purpose of co-curricular activities is the education of young people. Co-activities teach life lessons that will help make students better people. When parents and coaches/advisors communicate with each other and work together to teach these life lessons, all students benefit and have a more positive experience.

Communication parents should expect from their child's coach/advisor:

- Advisor's/coach's philosophy, expectations, and requirements of the activity.
- Informational items such as locations and times of practices and contests/performances.

Communication advisor/coaches should expect from parents:

- Concerns expressed directly to the advisor/coach regarding philosophy and or expectations.
- Notification of any schedule conflicts well in advance.

Appropriate concerns for a parent to discuss with an advisor/coach:

- The mental and physical treatment of your child.
 - What your child needs to do to improve.
 - Concerns about your child's behavior.
- Issues NOT appropriate for discussion with your child's advisor/coach:

- Strategy, play calling, and other students' participation.

If a parent has a concern to discuss with the advisor/coach, the following procedure should be followed:

- Schedule a meeting with the coach/advisor. Concerns should never take place in public, at practice, at a contest, or performance. Involve the activities director, if necessary.
- Stick to discussing the facts.

IN CONCLUSION

Parents must realize that less than 1% of students participating in co-curricular activities will make a living in that activity. Parents should NOT expect their child to receive a full-ride college scholarship or make a living as a result of their participation in co-curricular activities because, for most, that is not reality. Parents should encourage their children to participate in co-curricular activities because they will have fun, enjoy being with friends, and because of the lifelong values they learn through participation.
