Vaccinated Individuals

(Individiuals in this category can show proof of their COVID-19 Vaccination and must be 14 days post their 2nd vaccine).

*Students age 12-15 can only receive Pfizer

Vaccines

Individual will not be quarantined.

- Parent will be notified.
- 3. Symptoms must be monitored for 14 days from the date of last contact.

Unvaccinated Individuals

(Individuals in this category have not been vaccinated at this time).

1.Individual is quarantined for 10 days.

2.Parent will be notified. 3.Must have

no symptoms upon return. Symptomatic
Individuals
(Individuals in this
category are
showing symptoms
at the time of contact
tracing).

- 1. All symptomatic indivduals must quarantine for 10 days regardless of vaccination status.
- 2. No option for early return.
- 3. Must be symptom free for 24 hours without fever reducers before returning on day 11.

COVID-19 Symptoms:

- · Fever or chills
- · Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- · Headache
- New loss of taste or smell
- · Sore throat
- Congestion or runny nose
- · Nausea or vomiting
- Diarrhea

If your student is exhbiting one or more of these symtpoms, COVID protocol may need to be followed.

Please Note the Following Items:

- 1. At home COVID tests are not permitted to be used at this time.
- Day 1 of Quarantine is the 1st day that a student/staff member is not in contact with any other student/staff member.
- 3. If a student/staff member is a close contact to someone in the household that is positive and has continued close contact, it may be required that they quarantine longer. Vaccinated students/staff do not need to quarantine in this situation unless they're symptomatic. Those that are unvaccinated and have continued close contact may be required to quarantine for 20 days.
- 4. Remote learning is not being offered this academic year. Parent/teacher(s)/student communication is important for students that need to quarantine.
