

Harvard CUSD 50

Return to School - Safety Plan

August 4, 2021

Harvard CUSD 50

- District plan based on guidance from State of Illinois, CDC, IDPH, MCDPH, liability insurance provider, and legal advice
- Guidance is based to maintain in-person learning

Harvard CUSD 50

- Fluidity of guidance and conflicting local assessments
- Expect health guidance to change and D50 recommendations to constantly evolve this year as we react to changes
- Policy 4:182 -- quick response capacity
- Governor's mask mandate issued August 4, 2021

D50 Mask Guidance

MASKS REQUIRED

MASKS STRONGLY RECOMMENDED

PARENT'S CHOICE

MASKS OPTIONAL

PARENT'S CHOICE

Harvard CUSD 50

How will changes in levels be determined?

- Monthly Board of Education review
- Assess local transmission rates
- Monitor community and school vaccination percentages
- District results of screening program
- Observe state mandates

Harvard CUSD 50

What are the District's safety and mitigation strategies?

Vaccinations	SHIELD Testing
Ventilation Monitoring	Personal Hygiene Etiquette
Contact Tracing	Advanced Oxidation Cell Classroom Air Purifying Systems
Social Distancing	Masking
Robust Building Cleaning	Staying home when ill
Symptom Check Daily Screening	

How we'll start next year:

So what's different about how we return than how we left school last spring?

- Reminder--Zero school based transmissions last fall
- Same expectations, except there are more layers of protection
- Most importantly, we're all in person!

Harvard CUSD 50

What's next?

- Opt-in for SHIELD Testing and communication
- Voluntary submission of vaccination status
- More community vaccination clinics once there is a <11 y/o vaccine
- Monitor guidance and our safety metrics
