

Joe T. Robinson Elementary School Open House Guidelines 2021-2022

Welcome Back Robinson Elementary Senators!

Your RES Team understands the many concerns regarding the increase of Covid 19 cases in our local community. We also recognize how important it is for RES students and parents to meet their new teacher in person & visit the classroom.

In an effort to ensure the safety of our RES students, staff, and families, we will continue to implement safety measures this school year.
