Rebuilding the Foundation!

GCMS has chosen **Rebuilding The Foundation** for our 2021-22 theme. Everyone knows that, after a very challenging year unlike any other, this is going to be an exciting “rebuilding” year. The most important part of any building project is the foundation. At GCMS, we build a strong foundation by emphasizing our Core Values of Respect, Determination, Honesty, Caring, and Responsibility as the pillars of our school community. We strive to prepare our students for HS, college, and careers. Academically, we’re rolling up our sleeves and working on eliminating learning gaps from the previous 18 months.

What we aspire to is not easy, but we’re putting on our hard hats and starting the work. The reward will be seeing our students accomplish more than anyone believed!

A Great First Week!

GCMS students excelled during the first week of school. There was a positive vibe all around the building, and students excelled in learning procedures and following expectations! Students also worked on a “Rebuilding the Foundation” goal. We couldn’t have asked for a smoother week and applaud our students and families for your support!

GRAYSON COUNTY MIDDLE SCHOOL

Social Media

Did You Know?

Parents have many options for restricting online and social media to create safer experiences for our students. Simply “google” parental controls and behold a wealth of information for both Apple and Android products.

Staff Training

GCMS Staff has been busy this summer learning different tools and strategies to help our students!

ELEVATE Summer Program a Big Success

All summer long, GCMS students had the opportunity to participate in fabulous extended learning through our ELEVATE program. From Open Mic to Spanish culture to Top Chef to many others, students combined fun and learning! In addition, our Grow, Green, Give program has furnished a huge amount of vegetables to the Grayson County Alliance!

6th Sense Program Welcomes 6th Graders!

Around 175 6th Grade Students attended the GCMS 6th Sense program on July 19-21. Students met all of their team teachers, learned procedures, toured the building, and participated in fun activities. Students gave the program rave reviews and said it helped them feel

more comfortable and excited about the new school year. Special thanks to Jason Woosley and the GCDC staff for providing lunch on Wednesday!
