Pro-Rated Limit on Hours

If a member retires in any month other than July, the 550-hour limit is applied on a pro-rated basis for the rest of that school year. For example, if retirement is effective January 1, PEERS-covered employment may begin on February 1, but is limited to 275 hours through June 30. The pro-rated limit applies only during the year in which the member retires. When the new school year begins July 1, the limit is then increased to the full 550 hours.

The **working after retirement limits** are applied on a pro-rated basis as shown below to a retiree's hours of work during the school year in which retirement is effective.
