WELCOME AND INTRODUCTIONS: Dr. Chennell-Carter called the meeting to order at 3:30 and welcomed Nichole Wilkey and Martha Orozco to their first meeting.

2016-17 BUDGET UPDATE: Assistant Superintendent of Business Andrew James was not able to attend the meeting, so this update was not presented.

JANUARY 30 LCAP WORKSHOP: Megan Barker, Kristen Wilson, Shauna Butler, and Lenita Gaston were all participants at this workshop. Dr. Chennell-Carter asked each of them to give a short comment about what they learned.

SCHOOL BOARD IDEAS AND MIDDLE SCHOOL FEEDBACK: Dr. Chennell-Carter asked school board members Julian Diaz and Sandra Barnes to present ideas they had discussed at the recent board meeting; she also shared ideas from board members Carol Sutherland and Amber Durbin. A handout showed feedback that she got from Central Middle School student council members at a recent visit to their school. She plans to visit Ishi Hills to meet with student council members there as well.

DISCUSSION OF 2017-18 ACTION PLANS: Participants were instructed to discuss with each other their ideas for action plans to add to the 2017-18 LCAP. They wrote ideas on poster paper, and then each group was given time to present and advocate for their ideas. All groups had an opportunity to present their ideas to the

committee. Dr. Chennell-Carter stated that she would have the suggestions typed up and emailed to committee members so that they could share with staff and parents and be prepared to vote on issues at the March 2 meeting.

Meeting adjourned at 5:10 p.m. Next meeting is scheduled for March 2, 2017.
