STUDENT ACTIVITY FUNDS MANAGEMENT

Student activity funds will be deposited in respective school activity accounts. The management of these funds is the responsibility of the school principal who will see the proper records of receipts and disbursements are maintained in accordance with directives issued through the Superintendent. The School District Business Administrator will review all account balances quarterly. The accounts are subject to an annual audit.

Concessions at school activities may be managed by the boosters' club of that activity. If they do not wish to do so, concessions will be managed by the Athletic Director.
