INSTRUCTIONAL ACCOUNTABILITY

To the extent possible, flexibility will be allowed secondary students and their parents in developing programs of study.

Assessment Requirement:

The District as required, shall participate in the State and Federal requirements for an annual student assessment. RSA 193-C:6, defines the assessment requirements and opt out options which will be applicable to all students in grades 3-8, as well as grade 11.

The Superintendent shall provide via the District website or other appropriate media, up to date requirements for State and Federal Testing, and the opt out options provided under RSA 193-C:6.

Adoption Date:	December 12, 1985
