NTCC Students and Families:

We are excited to welcome our new and returning students to the 2021-2022 school year on **Thursday, August 26th**. Your choice to attend the Center is the first step – a BIG step – along your pathway to a highly skilled, in-demand, rewarding career. We consider ourselves privileged to play a part in this hands-on and minds-on educational experience that will prepare you to be both college and career ready.

Program Materials: A list of materials that are required and/or suggested for participation in each program of study will be provided at the beginning of the school year. While we do our best to keep student costs at a minimum, we encourage you to consider applying for the tremendous scholarship opportunity sponsored by PS Bank, which will assist with purchasing necessary tools and supplies. See the PS Bank Scholarship article in “News” at www.ntccschool.org for more information. Please enjoy the summer and just bring yourself, a positive attitude, and a willingness to work on the first day.

Please don't hesitate to call with any questions. We can't wait to welcome you to the Center on August 26th!
