

## EJES Due Date for Fundraiser Envelopes: April 28, 2023

We are so close to reaching our goal of having students in our classes registered for the Kids Heart Challenge. There's still time to register and earn a free wristband! All funds are used to support the American Heart Association.

If you've already registered, great job! The next step is to complete Finn's Mission! You and your family can learn Hands-Only CPR, learn the warning signs of heart attack and stroke, discover how the heart works, and more!

You can register and see EJES achievements and leaderboards with this link:

Your child/children recently brought home a Be the Torch Heart Hero paper. This is like the Jump Rope for Heart that we have done in the past at EJES.

1. You register by downloading the Kids Heart Challenge App(see above link) or go to heart.org/KHC
2. Choose a daily challenge
3. Collect donations and earn thank you gifts and online badges. Cash or check donations can be sent to the school.
4. Our event is kicking off on 4/3/23 and will conclude on 4/21/23.
5. EJES Due Date for Fundraiser Envelopes is April 28, 2023.
