

Board Goals 2020-2021

The Board will create a vision for the organization by developing a 10-Year Plan, detailing core beliefs and priorities.

Special Education will cultivate quality partnerships by ensuring accuracy, availability and professionalism.

Instructional services will support district and school improvement objectives through proactively communicating, leading innovation, and providing exemplary instructional learning opportunities.

Information Technology will deliver an excellent customer experience by proactively building strong relations and communicating specialized services.

Administrative Services will maintain district outreach, with an emphasis on quality customer service.
