

# ECHO SCHOOL DISTRICT

Raymon Smith, Superintendent  
rsmith@echosd5.org

Keith Holman, Principal  
kholman@echosd5.org

August 2, 2021

To Parents/Guardians of Echo Students,

As summer starts to wind down and we begin planning for the upcoming school year there are a couple things we would like to inform you of.

This year registration (or verification as it is called) will be available from your home. There will also be two in-person opportunities to come into the school and receive help getting online and completing registration. The first date will be Wednesday August 18, 2021 from 1pm-7pm and the second will be at Echo's open house August 25, 2021 at 5:30. If you need assistance and cannot make one of the in person opportunities please email Jenny Thomas at [jthomas@echosd5.org](mailto:jthomas@echosd5.org). The school also has office hours, these are M-Th from 9am to 12pm.

**Registration will open online Monday August 16, 2021 and close Wednesday August 25, 2021.**

**Please use this opportunity to make sure we have your current information. With an emphasis on parent email, parent phone number, and current mailing and physical address.**

You will start the registration process on the schools website on the **Home Access** short cut link. The web address is <https://echo.k12.or.us>.

You are going to need you ParentVue user name and password, if you have forgotten either of these you can click on the **more options** tab and then click **forgot password**. You will then receive directions through your email as to how to reset it.

At this time we are only doing online verification for students who are currently enrolled. If you are enrolling a new student, please come to the school during office hours or contact Jenny Thomas.

I have enclosed a guideline to help you navigate through the verification process; I hope you find it helpful.

Jenny Thomas
