February 21, 2023

Good Afternoon Cros-Lex Families:

I am writing to update you about the report of a social media post containing a threat that was brought to our attention last night. Although the post did not mention our school district specifically, we take such matters with the utmost seriousness and we have continued to work in close communication with the Croswell Police Department to thoroughly investigate the social media post.

The Croswell Police Department has concluded that the post was not a credible threat and was not directed toward our district.

We appreciate the strong relationships we have built with the student body and with the community to assist us in keeping the lines of communication open. Should you hear of any activities or social media posts that raise questions in your mind, please do not hesitate to contact local law enforcement or any member of the Cros-Lex administration team. You can also contact us through OK2SAY on the district's webpage. Please also take this opportunity to engage in a conversation with your child regarding their social media presence and the impact posts can have not only on themselves, but also on friends and the community.

We appreciate your flexibility today as we worked to ensure the safety of our students, staff, and community. We plan to resume school tomorrow, February 22, 2023. We will have an increased police presence at our buildings in conjunction with our school security team.

Thank you for your continued support and partnership with our district.

Sincerely,

Colette Moody
Superintendent
