

Dear Cros-Lex Middle School Families,

We are excited to announce that we will be bringing back the Cros-Lex Cup this year! We will be hosting this event on Monday, June 6th, 2022 for all grade levels.. This event is very similar to a field day, with a little bit of team building added in. We will also be focusing on our positive behavior expectations leading up to and during this event. All students that practice our Pioneer PRIDE behavior will be eligible to participate in this event. Any student that receives a referral between May 16th and May 27th will be excluded from this event. Also, any student that is unwilling to practice our PRIDE behavior during this event will be removed from the activities and possibly sent home for the day. Students will have the opportunity to purchase a grade level t-shirt for this event to show their school spirit! The form is attached and will need to be returned with payment by Thursday, May 12th. We are super excited to bring this event back and can't wait to celebrate positive behavior with our hard working students! Please contact Mrs. Shanks (hshanks@croslex.org) or Mrs. Redman (sredman@croslex.org) with any questions regarding this event.

Thank you!
CLMS Staff
