

Parent's Objection to the Release of Student Information to Military Recruiters and Institutions of Higher Education

(Applicable to secondary grade levels only)

Dear Parent:

Federal law requires that the district, upon request, release to military recruiters and institutions of higher education the name, address, and telephone number of secondary school students enrolled in the district—unless a student's parent or eligible student objects in writing. [See **Objecting to the Release of Student Information to Military Recruiters and Institutions of Higher Education** on page 12 for more information.]

Parent: Please complete and return this form to the school only if you **do not** want your child's information released to a military recruiter or an institution of higher education without your written consent.

I, parent of _____ (*student's name*), request that the district **not** release my child's name, address, and telephone number to a military recruiter or institution of higher education without my written consent.

Parent's signature: _____

Date: _____

Note: If this form is not returned, the district will assume that permission has been granted for the release of this information.
