## **HARRISON COUNTY PUBLIC SCHOOLS MOVE TO MASKING STAGE 3**

**Cynthiana, Kentucky (August 10, 2021)** Due to an increase in local COVID-19 positive cases in our community and in the surrounding counties, Harrison County Schools has moved from an MS2 masking stage to an MS3 stage effective immediately. This means that “*masking is universal for everyone that enters all district schools/buildings.*” (Local COVID-19 conditions are such that universal masking is necessary to limit spread and exposures.) See the district website for the Harrison County School District’s Safe Return to In-Person Instruction & Continuity of Services Plan 2021-2022; <https://www.harrison.kyschools.us/>

In-person school resumes Thursday, August 12<sup>th</sup>, for students of Harrison County Public Schools. All students, staff and visitors will be observing Masking Stage 3.
