

VIDEO SURVEILLANCE

The Board authorizes the use of video surveillance on District property to ensure the health, welfare, and safety of all staff, students, and visitors to District property and to safeguard District buildings, grounds, and equipment. The Superintendent will approve appropriate locations for video surveillance.

The Superintendent will notify staff and students through staff and student handbooks or by other means that video surveillance may occur on district property. A notice will also be posted at the main entrance of all school district buildings, and on all buses, indicating the use of video surveillance.

The District may choose to make video recordings a part of a student's educational record or of a staff member's personnel record. The District will comply with all applicable state and federal laws related to record maintenance and retention.

Video recording will be totally without sound.
