Dr. Deanna Dobbins, Superintendent
Bloomington Public Schools
629 E. Kalamazoo St.
Bloomington, Michigan 49026

Dear Dr. Dobbins:

We are pleased to be entering into an agreement with the Bloomington Public Schools to join the Olivet Direct! program.

By signing this letter, Olivet College and the Bloomington Public Schools will be entered into an agreement that qualified high school senior students from Bloomington Public Schools will be automatically admitted to Olivet College when the following conditions are met:

1. Students complete core college preparation curriculum of at least four English courses, four mathematics, three sciences, and three social studies courses (or study of a foreign language).
2. Students must have earned a minimum 2.5 high school GPA;
3. Students must graduate high school in the spring prior to their entering the fall term as a new full-time, first-time entering college student;
4. Students fully complete the Olivet College application for admission; and,
5. Students file the Free Application for Federal Student Aid (FAFSA) by May 1, 2023, and lists Olivet College in the first position (#002308).

Additionally, for the graduating seniors in spring 2023 who enter as first-time students to Olivet College in fall 2023, we will honor institutional grants that total at least \$15,000 per year toward the cost of attendance at Olivet. That's an \$60,000 commitment to each student over the four years of study.

However, if the admitted students have been residents of Michigan for at least one year, eligible for the Michigan Achievement Scholarship, and Pell Eligible, Olivet College will provide the Olivet College ADVANTAGE Scholarship which along with the Federal, State, and Institutional grants and scholarships will cover at least published tuition and general fees for the fall 2023 year. The 2023-24 award will follow the student for four years as outlined in the attached ADVANTAGE Scholarship flyer.

Sincerely,

Steven M. Corey, Ph.D.
President
