

Maple Run Unified School District
Extracurricular and Co-Curricular Program Guidelines and Wage Scales
Board Approved: June 2, 2021

I. Description

1. Extracurricular activities are those voluntary social or philanthropic student activities that fall outside the realm of the normal school/curriculum program. Persons hired for extracurricular activity positions will be employed at will, which means employment can end at any time for any reason or for no reason, with or without notice either by the school district or the extra-curricular employee.
 - a. The Principal/NCTC Director/designee shall determine what activities shall be offered and what positions shall be filled. The Board, at its sole discretion, shall establish Extra-Curricular Program Guidelines.
 - b. The Principal/NCTC Director/designee, with agreement from the Board, may add new activities and place them on the extracurricular or co-curricular schedule or eliminate activities at their discretion.
 - c. Positions covered by this document are season appointments and may be terminated or extended at the discretion of the Principal/NCTC Director/designee.
 - d. Offers for positions will always be contingent upon adequate participation for the activity, as determined by the Principal/NCTC Director.
 - e. Positions covered by this document will follow the normal hiring process.

II. Selection and Work Expectations

1. Selection: Coaches and other Extracurricular or Co-Curricular Activity Leaders shall apply and are selected according to established school procedures. All coaches and Activity Leaders must complete a background investigation, complete fingerprinting requirements, and agree to follow all district policies and procedures prior to working with students.
2. Work Expectations:
 - a. Job Description: Coaches and Activity Leaders are expected to familiarize themselves with the general job description related to their position. Updates may be made from time to time as job duties, essential duties, and responsibilities change.
 - b. Performance: The High School Athletic Director shall monitor performance of athletic coaches and will prepare and present performance evaluations to varsity coaches. The High School Athletic Director, with the help and input from the varsity coach, will evaluate the assistant coaches at the end of the season. Assistant coaches are also asked to complete a self-evaluation by utilizing the performance appraisal form. Performance for all other High School and Elementary School positions may be evaluated by the Principal/Director/designee as appropriate.

- c. Non-appointment: Reappointment to coach or direct an extracurricular or co-curricular activity for a subsequent term, season, or year is at the discretion of the Principal/Director/designee.

III. Compensation

1. Compensation: Persons who lead extracurricular or co-curricular activities will receive compensation according to the schedule contained in this document. No leave time, medical, dental, life, disability or related health insurance benefits are provided.
 - a. Exempt employees will be paid at the end of the assigned sport season or when a co-curricular activity concludes. Non-exempt employees will be paid bi-weekly for hours worked and documented.
 - b. Advancement on the compensation schedule is not automatic.
 - c. Payment for work will be issued through the normal payroll process.
 - d. Increase to Wage Schedule: The Board shall review the schedule annually to determine wage increases.
2. Activity Placement for the Following Year: The Principal/NCTC Director will place activities in a pay group.
 - a. Activities may be reassigned annually to different pay groups at the discretion of the Principal/NWTC Director/designee.
 - b. Such activity changes (adding, reassigning, or eliminating) may be based on such reasons as, but not limited to financial considerations and/or number of participants, existence of feeder programs, benefit to student population, and availability of activity leaders.
3. Placement of Persons in Positions:
 - a. For initial placement in groups, consideration will be given to years of coaching or related experience in the particular activity.
 - b. An assistant coach moving to a head coach position within the same sport may be placed on the compensation grid based on years of experience, including years of experience as an assistant coach in that same sport.
