## STUDENT DRESS

The Lake Forest School District student dress code supports equitable educational access for all students. The District expects all students will dress in a way that is appropriate, respectful to the community, and does not reinforce marginalization of any group based on race, sex, gender identity, sexual orientation, ethnicity, religion, cultural observance, or body type/size. The primary responsibility for a student's attire resides with the student and parent/guardian. The District is responsible for creating a school environment that is respectful and inclusive of all students.

All students must cover certain body parts at all times to include shoulders, chest, breasts, stomach, genitals, and buttocks.
