2021-2022 Trenton R-IX Covid-19 Protocols

- Staff & Students will attend in person utilizing social distancing as possible.
- Masks will be optional for staff and students inside our facilities. It is highly recommended that unvaccinated staff and students consider masking inside our facilities.
- Currently, per federal order, masks are required on public transportation including school buses for both drivers and passengers. If your child uses school buses for transportation purposes, please ensure that they have a mask before loading the bus.
- Visitors will be allowed but limited. Masks are encouraged. Please refrain from unnecessary visitations during the school day.
- The district will continue to work with Grundy County Health Department regarding quarantines, vaccinations, and other COVID related issues.
- Parents are encouraged to closely monitor your child for any symptoms that could be related to this virus. Students who are feeling ill, or have quarantine orders, should not report to school until they are cleared of any COVID-19 indicators.
- The district will not offer full-time virtual instruction during the 2021-2022 school year.
- The district will work with quarantined students to complete work and will provide tutors for the duration of the quarantine.

This represents school opening guidance for Trenton R-IX. Each building within our district will modify this guidance as necessary to keep our staff and students in school and safe. The district reserves the right to modify and adopt additional protocols used within our schools when and if there is a further resurgence of COVID-19 and/or new orders are issued by the state or other governing entities.

Committed To Excellence
