In kindergarten through grade 8, subjects include: (a) language arts, (b) reading, (c) other communication skills, (d) science, (e) mathematics, (f) social studies, (g) art, (h) music, and (i) drug and substance abuse prevention. Beginning with the 2020-2021 school year, in grades 6, 7 or 8, students must receive at least one semester of civics education in accordance with Illinois Learning Standards for social science.
2. In grades 9 through 12, subjects include: (a) language arts, (b) writing intensive course, (c) science, (d) mathematics, (e) social studies including U.S. history, American government and one semester of civics, (f) foreign language, (g) music, (h) art, and (i) vocational education.
3. In grades 7 through 12, as well as interscholastic athletic programs, steroid abuse prevention must be taught.
4. In kindergarten through grade 12, provided it can be funded by private grants or the federal government, violence prevention and conflict resolution must be stressed, including: (a) causes of conflict, (b) consequences of violent behavior, (c) non-violent resolution, and (d) relationships between drugs, alcohol, and violence.
5. In grades kindergarten through 12, age-appropriate Internet safety must be taught, the scope of which shall be determined by the Director or designee. The curriculum must incorporate policy 6:235, *Access to Electronic Networks* and, at a minimum, include: (a) education about appropriate online behavior, (b) interacting with other individuals on social networking websites and in chat rooms, and (c) cyberbullying awareness and response.
6. In all grades, character education must be taught including respect, responsibility, fairness, caring, trustworthiness, and citizenship in order to raise students' honesty, kindness, justice, discipline, respect for others, and moral courage. Instruction in all grades will include examples of behavior that violates Policy 7:180 *Prevention of and Response to Bullying, Intimidation and Harassment*.
7. In all schools, citizenship values must be taught, including: (a) patriotism, (b) democratic principles of freedom, justice, and equality, (c) proper use and display of the American flag, (d) the Pledge of Allegiance, and (e) the voting process.

8. In all grades, physical education must be taught including a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. Unless otherwise exempted, all students are required to engage daily during the school day in a physical education course. For exemptions and substitutions, see policies 6:310, *Credit for Alternative Courses and Programs, and Course Substitutions*, and 7:260, *Exemption from Physical Activity*.
9. In all schools, health education must be stressed, including: (a) proper nutrition, (b) physical fitness, (c) components necessary to develop a sound mind in a healthy body, (d) dangers and avoidance of abduction, and (e) age-appropriate sexual abuse and assault awareness and prevention education in all grades. The Superintendent shall implement a comprehensive health education program in accordance with State law.
10. In all schools, career/vocational education must be taught, including: (a) the importance of work, (b) the development of basic skills to enter the world of work and/or continue formal education, (c) good work habits and values, (d) the relationship between learning and work, and (e) if possible, a student work program that provides the student with work experience as an extension of the regular classroom. A career awareness and exploration program must be available at all grade levels.
11. In grades 9 through 12, consumer education must be taught, including: (a) financial literacy, including consumer debt and installment purchasing (including credit scoring, managing credit debt, and completing a loan application); budgeting, savings, and investing; banking (including balancing a checkbook, opening a deposit account, and the use of interest rates); understanding simple contracts; State and federal income taxes; personal insurance policies; the comparison of prices; higher education student loans; identity-theft security; and homeownership (including the basic process of obtaining a mortgage and the concepts of fixed and adjustable rate mortgages, subprime loans, and predatory lending); and (b) the roles of consumers interacting with agriculture, business, labor unions, and government in formulating and achieving the goals of the mixed free enterprise system.
12. In all schools, conservation of natural resources must be taught, including: (a) home ecology, (b) endangered species, (c) threats to the environment, and (d) the importance of the environment to life as we know it.
13. In all schools, United States history must be taught including: (a) the principles of representative government, (b) the Constitutions of the U.S. and Illinois, (c) the role

of the U.S. in world affairs, (d) the role of labor unions, (e) the role and contributions of ethnic groups, including but not limited to, the African Americans, Albanians, Asian Americans, Bohemians, Czechs, French, Germans, Hispanics (including the events related to the forceful removal and illegal deportation of Mexican-American U.S. citizens during the Great Depression), Hungarians, Irish, Italians, Lithuanians, Polish, Russians, Scots, and Slovaks in the history of this country and State, (f) a study of the roles and contributions of lesbian, gay, bisexual and transgender (LGBT) people in the history of the U.S. and Illinois, and (g) Illinois history.

In addition, all schools shall hold an educational program on the United States Constitution on Constitution Day, each September 17, commemorating the September 17, 1787 signing of the Constitution. However, when September 17 falls on a Saturday, Sunday, or holiday, Constitution Day shall be held during the preceding or following week.

14. In grade 7 and all high school courses concerning U.S. history or a combination of U.S. history and American government, students must view a Congressional Medal of Honor film made by the Congressional Medal of Honor Foundation, provided there is no cost for the film.
15. In all schools, the curriculum includes instruction, as determined by the Director or designee, on the Holocaust and crimes of genocide, including Nazi atrocities of 1933-1945, Armenian Genocide, the Famine-Genocide in Ukraine, and more recent atrocities in Cambodia, Bosnia, Rwanda, and Sudan.
16. In all schools, the curriculum includes instruction, as determined by the Director or designee, on the history, struggles, and contributions of women.
17. In all schools, the curriculum includes instruction, as determined by the Director or designee, on Black History, including the history of the African slave trade, slavery in America, and the vestiges of slavery in this country, as well as the struggles and contributions of African-Americans.
18. In all schools, instruction during courses as determined by the Director or designee on disability history, awareness, and the disability rights movement.
19. In kindergarten through grade 8, education must be available to students concerning effective methods of preventing and avoiding traffic injuries relating to walking and bicycling.
