Philosophy

The athletic program of Alpha Charter will be a dynamic, integral part of the whole educational experience for your child. At all times, the athletic program will be conducted in a way that is complementary and supportive of the academic program. In addition, it will provide meaningful learning opportunities not otherwise offered in the school classroom curriculum. It will assist in developing habits, attitudes, and ideals necessary for the ethical competition and cooperation in our society. The balance between cooperation and competition are fostered by a well-conducted athletic program under competent leadership. Furthermore, the athletic program will provide our students with lifelong lessons for personal growth such as sportsmanship, teamwork, ethical behavior, perseverance, commitment, loyalty, self-discipline, pride, responsibility, and leadership skills.

Interscholastic athletics should be enjoyable with the purpose of benefiting students rather than the institution. A wide variety of wholesome activities will be available and tailored to the physical, mental, and emotional maturity level of the participants. The best possible staff and facilities available will be of concern to those in charge of programs servicing our youth. Students will be encouraged to explore a particular sport of his/her interest regardless of ability level.

Sportsmanship will be the top priority of our interscholastic athletics. Commitment to fair play, integrity, and a genuine empathy for others must be taught and practiced if we are to make a difference. Athletics should assist in the development of fellowship and goodwill, and encourage the qualities of good citizenship. It plays an important role in developing a healthy self-image as well as a healthy body. Athletics also contribute to school/community spirit and pride.

Interscholastic athletics is a voluntary program. Thus, participation is a **PRIVILEGE and NOT A RIGHT**. Along with that privilege comes the responsibility to conform to the standards established for the high school athletic teams. This privilege may be revoked when the athlete fails or refuses to comply with the rules. In order to provide the greatest benefit to participants, Alpha Charter will provide adult role models who exemplify the kind of behavior and leadership to be developed from the program.

The ultimate goal of high school athletics should be to foster the value of participation without over-emphasizing the importance of winning and to improve positive citizenship traits among the program's participants. The program will constantly strive to develop well-rounded individuals capable of taking their place in society.

Sportsmanship

As the people out front, coaches and students have a unique opportunity to impact the future of athletics. Many of you are aware that in the past, CIF has reported violence associated with player vs. player, player vs. official, coach vs. coach, coach vs. official, spectators vs. spectator, spectator vs. official, etc. Thus, before it happens here, we are asking each of you to make sportsmanship a personal goal. No contest's outcome is worth an ugly incident due to some spur-of-the-moment action. We realize that in spite of all our efforts, an incident may occur. But, if we have not practiced

sportsmanship, we must shoulder the blame of the action. We can create an environment that is conducive to a higher goal than a win-at-all-costs environment. If we are successful in this, we will have attained a more lasting mark than any championship could possible bring.

Governing Body for Athletics

High School athletics shall be governed by the CIF Constitution and By-Laws, Sac-Joaquin Section Constitution and By-Laws, League Constitution and By-Laws and the Alpha Charter Athletic Handbook. Athletes shall be directly responsible to the head coach and his/her assistants. It is assumed that participation in sport is a **PRIVILEGE**.

Information / Rules & Expectations

Transportation

Athletic transportation to and from events is not always provided by Alpha Charter. Parents and athletes are responsible for arranging transportation on an individual basis to practice and games. Student athletes will be released from class at the designated time and responsible for transporting themselves to and from the visiting school. Students are required to check out with the front office when being released from school for an athletic event. Release times from school will be given by the coach and/or school for all away athletic competitions. Under no circumstances may a student drive another student to an event.

Conduct and Behavior

As athletes, you are representing your team, school, community, parents, and most importantly - yourself. It is important to remember to behave respectfully and appropriately. Athletes will show respect for all coaches, teachers, officials, spectators, school facilities, equipment and opponents at all times. All school discipline and behavior policies will be enforced to, from, and at all athletic events.

Appearance & Language

You must be proud of your appearance. You are expected to dress neatly and keep well-groomed. When traveling to other schools or activities, keep in mind you are a representative of Alpha Charter. Profanity will not be tolerated. You are expected to use proper language on/off the playing field

Valuables

CIF Eligibility Rules

How to Protect Your Athletic Eligibility

Your high school years will be highlighted by your participation in interscholastic athletics. These will prove to be some of the most enjoyable years of your young life. The CIF Sac-Joaquin Section has 4 standards that you must meet in order to be eligible to compete at the high school level. You are urged to study these carefully.

Residential Eligibility

A student has residential eligibility upon initial enrollment in:

1. The ninth grade of any CIF high school, a CIF junior high school, or junior high school pursuant to certain provisions of the CIF Bylaws; or
2. The tenth grade of any CIF high school from ninth grade of a junior high school in the United States.

Note: If a student completes a valid change of residence, the student may not be eligible to participate at the varsity level if there is evidence the move was athletically motivated or the student enrolled in that school in whole or in part for athletic reasons

Changing Schools----Transfers:

If a student transfers from another school to Alpha Charter, they should contact the Athletic Director for eligibility questions. Students are not automatically eligible. For complete details, go to www.cifsjs.org under "Eligibility Requirements".

Age Limitations

No student, whose nineteenth birthday is attained prior to June 15, shall participate or practice on any team in the following school year. A student whose 19th birthday is on June 14, or before, is ineligible.

Scholastic Eligibility

A student is scholastically eligible if:

1. *The student achieved an unweighted 2.0 grade-point average, on a 4.0 scale, in enrolled courses at the conclusion of the previous grading period.*
2. *The student is currently enrolled in at least 20 semester units of work.*
3. *The student was passing in the equivalent of at least 20 semester units of work at the completion of the most recent grading period.*
4. *The student is maintaining minimum progress toward meeting the high school graduation requirements as prescribed by the governing board.*
5. *The student has maintained during the previous grading period a minimum unweighted 2.0 grade point average or a 4.0 scale, in all enrolled courses.*

Semesters of Attendance

A student who first enters the ninth grade of any school following the student's completion of the eighth grade in any school may be eligible for athletic competition during a maximum period of time that is not to exceed eight consecutive semesters following the initial enrollment in the ninth grade of any school and/or in any classes taken subsequent to the completion of the eighth grade, whether or not the student is enrolled in school, whether or not the student is academically or otherwise eligible and whether or not the student avails themselves of the opportunity to participate in interscholastic sports during this time. Eligibility is only available during the student's first eight consecutive semesters of enrollment in high school (grades 9-12).

Falsifying Information

If it is discovered that any parent(s)/guardian(s)/caregiver or student has provided incorrect, inaccurate, incomplete or false information in regards to any aspect of their eligibility status on behalf of a student, that student is subject to immediate ineligibility for CIF competition at any level in any sport for a period of 24 calendar months from the date the determination was made that incorrect, inaccurate, incomplete or false information was provided.

Undue Influence----Recruitment of Athletes

The use of undue influence by any person or persons to secure or retain a student or their parents, guardians or caregiver as residents may cause the student to be ineligible for high school athletics for a period of one year and shall jeopardize the standing of the high school in the California Interscholastic Federation

Competition on an Outside Team

A student on a high school team becomes ineligible if the student competes in a contest on an "outside" team in the same sport, during the student's high school season of sport.

Student Participation-----Conduct Penalty

Student participation in athletic contests is a privilege. As a student athlete, you are expected to conduct yourself in an exemplary manner at all times. Any player ejected or any player who leaves the confines of the bench or team area during a fight that may break out or has broken out shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. Any student who physically assaults the person of a game or event official shall be banned from interscholastic athletics for the remainder of the student's eligibility.

League Rules/Regulations

Spectators on Sidelines or Playing Arenas

No spectators shall be permitted on the field or on the sidelines at any Alpha Charter contest.

Noise Makers

Noisemakers at ALL indoor events are prohibited. Non-mechanical handheld devices (i.e. small cow bells and thunder sticks) are allowed at outdoor events, excluding baseball and softball. Whistles, air horns and other air-powered or mechanically powered noise making devices are prohibited at ALL events.

Fights in Sports

The primary purpose for athletics is to promote good sportsmanship and declares its intent to do all within its power to guarantee that athletic contests are held in a sportsmanlike environment.

All member schools are committed to enforcing a code of behavior that encourages good sportsmanship and provides for appropriate consequences for unsportsmanlike conduct. Therefore, the member schools agree to enforce the following:

1. Any student spectator who steps onto the court/playing field to start or join in a fight is to be automatically ejected from the playing facility. The member league school is expected to take disciplinary action on the next regular school day. Suspension from school and denial of future opportunities to participate as a spectator at athletic contests/games are but two penalties which should be imposed.
2. Any player ejected from an athletic contest for fighting shall be subject to any or all of the following disciplinary actions. This rule applies to a fight that may occur after the game before the teams have vacated the playing area.
 - A. Removal from the next regularly scheduled contest.
 - B. Suspension from school.
 - C. Removal from the team.
 - D. Removal from all athletic programs for a period of time to be determined by the school.
 - E. Other appropriate disciplinary action in accordance with school policy.
3. Any team or group of players that leaves the bench while a fight is in progress may cause the game to be forfeited. If both teams or groups of players from both teams leave the bench while a fight is in progress, a double forfeit may be imposed. This rule applies to a fight that may occur after the game, before the teams have vacated the playing area.
4. Any individual athlete participating in a fight shall be subject to any or all of the following disciplinary actions. This rule applies to a fight that may occur after the game before the teams have vacated the playing area.

- A. Immediate removal from the contest.
- B. Removal from the next regularly scheduled contest.
- C. Suspension from school.
- D. Removal from the team.
- E. Removal from all athletic programs for a period to be determined by the school.
- F. Other appropriate disciplinary action.

General Rules

The following are general responsibilities of the athlete

Applicability

Prior to participation, a student/athlete must complete the proper athletic clearance procedures which include:

- 1) Completed Pre-Participation Physical Evaluation Form (high School only)
 - Physical Exam
 - Emergency Medical Information Card
 - Parent Consent
- 2) Completed Emergency contact information/Proof of Insurance Form
- 3) Signed Student Transportation Policy acknowledgment

Academic Eligibility Standards

1. Have earned an unweighted 2.0 grade point average (“GPA”) for the grading period prior to their participation and for each succeeding grading period during participation. For 7th grade students, a grade check will be processed by the administration. In calculating GPA, CIF regulations state that an Incomplete, NC or NM must be factored as a “0” on a 4-point scale. GPA will be determined by dividing the total number of grade points by total number of courses (A=4, B=3, C=2, I/NC/NM=0)
2. A student must meet CIF, League, and Elverta School Districts eligibility requirements. For the purposes of CIF and their requirement which states: “The student is maintaining minimum progress toward meeting the high school graduation requirements as prescribed by the governing board”, the minimum progress towards graduation will be defined as follows:
 - a. Incoming 9th grader will be starting the high school transcript
 - i. Second semester 9th graders will need 25 units passed
 - b. Incoming 10th grader will need 50 units passed
 - i. Second semester 10th grader will need 75 units passed
 - c. Incoming 11th grader will need 105 units passed
 - i. Second semester 11th grader will need 130 units passed
 - d. Incoming 12th grader will need 160 units passed
 - i. Second semester 12th grader will need 190 units passed

3. Meet standards of satisfactory citizenship.
4. Have a satisfactory attendance record.

For the purpose of clarification, the following terms will be used to determine academic eligibility:

- Grades of Progress (Progress Reports): Gradpoint generated grades assigned to a student, but not officially recorded on a transcript.
- Grades of Record (Quarter/Semester Report Cards): Gradpoint generated grades assigned to a student and officially recorded on a transcript (recorded on the student's transcript at the end of the term/semester).

Initial Eligibility

All students who wish to participate must have earned a minimum 2.0 GPA based on grades of record for the grading period immediately prior to their participation. Credits earned will be a factor in computing the GPA.

Continuing Eligibility

All students who wish to continue participating in athletic activities remain eligible if:

All students must have earned a minimum 2.0 GPA. The student is ineligible beginning the Monday after grades are published if the minimum GPA is not met. That student becomes eligible as soon as he/she returns a grade clearance form to the Athletic Director, signed by the teacher, signifying that the student is now earning a passing grade.

Incoming Freshmen

All entering freshman student/athletes from any junior high must have a 2.0 GPA on their last 8th grade report card. Students entering Alpha Charter with less than a 2.0 GPA may practice but will not be allowed to continue play after the fourth Friday of the school year if their GPA is not above a 2.0. On the fourth Friday of the school year, a grade check will be administered. If the GPA is below a 2.0, the student/athlete may be released from the team for the remainder of that season.

Tryout

Student athletes may participate in tryouts even if their overall GPA is below a 2.0. Once final cuts are made and rosters are posted, all student athletes must have the 2.0 GPA. Coaches may generate a "reserve list" pending minimum academic eligibility standards for those picked for the final roster.

Coaches Obligation

Coaches may set standards of behavior and expectations for their sport which, if violated, may result in the participant being suspended or dismissed from the team for the remainder of the season. Each coach shall furnish the participant with a copy of their team rules and expectations at the beginning of the season. Additional team rules must be approved in advance by the Athletic Director or Principal. Violations that result in the suspension or dismissal from a team are subject to student's right to appeal as described below.

Dedication

An athlete must be willing to dedicate himself/herself to sports. The athlete should be aware that nothing worthwhile is accomplished without hard work and a sincere desire to succeed. The athlete must also realize that he/she must work out of season as well as during the season. He/she must also be willing to sacrifice his/her own desires for the good of the team.

Lettering Policy

Athletes who have completed, in good standing, an entire season of sport will be eligible for all special awards and will receive an athletic certificate and felt Alpha letter.

Letters

Varsity – A Red/White/Black Letter

Icons

Varsity - Felt by sport

Quitting a Sport

Any athlete who quits a team without permission of the coach after the team's first league contest or is removed from a sport will not be eligible to participate in another sport until the completion of the season of the sport that the athlete quit

Responsibility for Equipment

Athletes shall assume responsibility for all athletic equipment issued to them. If equipment assigned to an athlete is lost, misplaced, stolen, or destroyed due to misuse, the athlete will be expected to reimburse Alpha Charter for the value of the equipment at the time of its loss.

Violations

Behavioral and Substance Abuse Infractions

Any student athlete subject to school disciplinary action shall be subject to any or all of the following disciplinary actions:

- Suspension from practice and/or games
- Removal from team
- Removal from all athletic programs for a period of time
- Other appropriate actions

Self-Disclosure: Students who voluntarily disclose substance abuse dependency to school personnel/parents and who involve themselves in an assessment and treatment program will not be penalized under this policy. The recommendations of the assessor will be shared with the principal in order that he/she may monitor adherence to the program.

Attendance

1. A student/athlete must attend school for the full regular school day to be eligible to practice.
2. A student/athlete must be in attendance for the full day of a contest to be eligible to participate.
3. A student/athlete must be in attendance the last regular school day prior to a contest scheduled on a weekend or holiday to be eligible to participate.
4. Non-attendance due to funerals, dental/medical/DMV appointments, religious activities and serious family obligations are possible exceptions, subject to interpretation by the Principal and/or the Athletic Director.

SOCIAL MEDIA POLICY:

“Social media” refers to internet-based applications designed to create and share user generated content. Any form of digital magazines, internet forums, weblogs, podcasts, photographs, video, rating, and social bookmarking found on websites or applications such as Twitter, Facebook, Instagram, Tumblr, or TeamSnap, that is open to public viewing is considered to be “social media”. This is a rapidly changing network as we move into the 21st Century. Many more networks not mentioned will arise which are also included in this policy. Violations of this policy are subject to investigation and sanctions and are also subject to review by state and federal law enforcement. These fall under Level 2 Infractions. Any and all disciplinary measures may apply depending on the severity of the infraction. Alpha Charter student athletes are expected to conduct themselves in a respectable manner as a member of their team and our Athletic program. As a student athlete, you are responsible for your social media use. Any malicious use of social media platforms shall not be tolerated. Malicious use may include, but not be limited to:

1. Derogatory language or remarks regarding fellow athletes, students, coaches, administrators, faculty, and staff of Alpha Charter or other high schools.
2. Demeaning statements or threats that endanger the safety of another person.
3. Incriminating photos or statements regarding illegal criminal behavior, underage drinking, and use of illegal drugs, sexual harassment or violence.

Athletic Standing

Students/athletes who are not members of the team at the close of the season will forfeit team awards and all league honors. (Season is defined as that period of time which includes all scheduled games, post-season contests and awards banquets.)

Travel/Uniform During Suspension

Students suspended from competition may be required to travel with the team only if they do not miss classes to do so, and the coach requires such travel. During home games, students suspended from competition may, at the discretion of the coach, be required to sit with the team, but not in uniform.

Duration

This eligibility policy shall remain in force for the academic year in which a student/athlete is involved in interscholastic competition. Should insufficient school days remain in a given academic year to satisfy the disciplinary aspects of this policy, the remaining days required will be carried over into the next season of sport, as defined by the CIF.

Jurisdiction

This eligibility policy shall govern the actions of students/athletes, both on and off campus, and traveling to and from school and school activities, during the academic year.

Verification of Infractions

The Principal/Athletic Director/designee will conduct a reasonable investigation of alleged violations by the student/athlete and make appropriate determinations relative to continued eligibility in terms of this policy. Before any student is suspended or dismissed from a team, the student shall receive due process including notification of the infraction and an opportunity to be heard. Violations that result in the suspension or dismissal from a team are subject to student's right to appeal as described below.

Practice

Missing scheduled practices and/or games without approved medical reasons, or having made prior arrangements with the Head Coach is prohibited.

Students having unexcused absences from practice may be suspended from the activity.

Administrative Obligation

When, in the opinion of the Principal/Athletic Director/designee, a student/athlete's conduct, either in or outside school, is deemed to be a detriment to the school, poses a danger to students, or is a threat to disrupting the educational process, the Principal/Athletic Director/designee may, at his/her discretion, suspend/remove the student from participation in the athletic program.

Appeals

The school Principal/Athletic Director/designee is charged with the interpretation and enforcement of this policy. Should a student, a parent, or guardian wish to appeal decisions, they have the right to bring this matter to the attention of the Executive Director/Superintendent for resolution. Should the matter remain unresolved to the satisfaction of all concerned, an appeal may be made to the Board of Trustees. During the appeal process, the student shall not practice or compete with the team.

Citizenship / Respect

At the very core of citizenship is respect-----respect for self and respect for others.

Respect is the lifeblood of citizenship that provides motivation and a sense of responsibility. Without respect for self and others, there can be no citizenship, because the foundation of citizenship is built upon the desire to respect the rights and preferences of others.

Courtesy is a quality of respect. On the other hand, discourtesy, ridicule, and dishonor define disrespect. Respect is often a difficult idea to portray to young students. So much of what they see on television or in the movies reflects in-your-face lack of respect that is the direct opposite of citizenship. Taunting, wild celebrations and a general lack of regard for the efforts of others have become a common denominator. Classic examples are at sporting events, movies, television, and other media spheres.

Responsibilities of Athletes

Participation

1. Participation in athletics is voluntary. Participation is not required for graduation and, thus, being on a sports team is a privilege which must be earned and not a right.
2. With that privilege come responsibilities to maintain the established standards of conduct of Alpha Charter as defined in the CIF Code of Ethics, both on and off the field.

Athletics as a Part of the Educational Program

1. Athletics are just one of many parts of the education program that is provided to students. The reason students are in school is to learn and therefore academics will always come first.
2. Maintaining academic eligibility is the student's responsibility, not that of coaches or teachers.
3. Eligibility can also be lost because of poor attendance or citizenship.

4. Participating in athletics and being on a team may mean sacrifices. The commitment an athlete makes to his/her team and coach requires that choices be made and priorities kept.

Being a Part of the Team

1. Athletes learn many skills to play their chosen sport but the most important skill that must be learned is teamwork.
2. To be successful, every member of the team must work together to make the whole greater than the sum of the parts.

Arriving Ready to Play

1. Athletes should come to practice on time, ready to listen and ready to learn.
2. Athletes should be prepared physically and mentally for the season. This includes training in the preseason and taking care of your body and mind during the season.

Conduct On and Off the Field

1. On the field: Athletes are respectful towards their teammates, coaches, opponents, fans, and officials. They play by all the rules of the game all the time.
2. On campus: Athletes set an example of good citizenship. They help promote school spirit and they should strive to be positive leaders in school activities.
3. In the classroom: Athletes show respect for teachers and fellow students.
4. At all times: Athletes represent their team, school and community. Athletes should be conscious of their appearance and manners at all times.

Sportsmanship

1. Athletics mean more than competition between individuals or teams representing different schools. It is a means of learning the lessons of life.
2. Winning and losing are a part of competition and should be done with modesty in victory and graciousness in defeat.

Responsibilities of Parents

Keeping Athletics in Perspective

1. Emphasize that academics always come first.
2. Assist the student to structure time wisely so that athletics do not interfere with academics.
3. Use athletics as a way to teach our children how to react and interact with other people during tense situations. Help your athlete understand that athletic ability varies with body maturity and that effort is just as important as natural ability.

Supporting your Student Athlete

1. Encourage participation by both girls and boys.
2. Be supportive of your athlete: see that his/her medical needs are met; see that he/she utilizes proper equipment; attend as many of your child's contests as possible. If a parent is unable to provide this support, please contact the coach, Athletic Director, or school Principal for assistance.

3. Stress the importance of the complete athlete, both mental and physical preparation.
4. Do not emphasize “quitting” as the best way to solve problems, but rather perseverance.

Supporting the Program

1. Be supportive of the coaching staff. Go to all meetings requested by coaches. Being on a successful team is important to your athlete. Support the coaches’ preparation plan. Talk to your athlete frequently about how things are going with his/her sport. Make arrangements to talk to the coaches privately and early about perceived problems.
2. During the season, take into consideration practice and games when planning family events.
3. Understand the needs of the particular sports. Some take more equipment, some take more time and others may call for some form of year-round preparation.
4. Support the policy of no profanity, alcohol, illegal drugs, tobacco, steroids or PED.
5. Model positive behavior towards everyone involved in the event as described in the Code of Ethics below. For example, if a parent fails to model positive behavior on team social media accounts, they will be removed from the platform.

Responsibilities of Coaches

Role Modeling

1. Because coaches’ lives are open to public scrutiny, coaches should use good judgment in conducting their private and public lives.
2. Because impressionable youths many times imitate the actions of their coaches, these coaches should model exemplary behavior on and off the field, and encourage their athletes to do the same.
3. Coaches should instill in their athletes that they are all representing not only their school, but also their families and community as well.

Professionalism

1. Coaches’ behavior on and off the field should exemplify leadership, composure, discipline and integrity.
2. Coaches should allow every student a fair and equal opportunity to try out for the team without prejudgment based on prior experiences.
3. Coaches should use caution and common sense in any physical contact with their athletes.

Communication with Athletes

1. Coaches should communicate in a positive manner even when correcting or criticizing an athlete.
2. Coaches should emphasize team loyalty and effort, stressing the value of each individual’s contribution toward the success of the team.
3. Coaches should assist students in setting realistic goals, then achieving them, one at a time.
4. Coaches should help each athlete achieve his/her own personal best.

Communication with Parents

1. Coaches should have a meeting prior to the season to inform parents, orally and in writing, of practice hours and the schedule of games and tournaments.
2. Coaches should discuss with parents the various roles they might play in assisting in their student's success.
3. Coaches should be open and available to discuss a student's progress with his/her parent.

Teaching Skills and Conditioning

1. Coaches should be knowledgeable of and well trained in the teaching of skills of the sport.
2. Coaches should physically condition their athletes before each season and teach techniques that enhance an athlete's safety as well as that of an opponent.
3. Coaches should stress the necessity of athletes to be in their best physical condition as a responsibility to themselves as well as to their team.

Creating a Successful Environment

1. Coaches should prepare themselves as students of the game.
2. Coaches should be positive and enthusiastic. Coaches should develop a program that will attract students to the sport. Coaches should make the sport competitively fun.

California Interscholastic Federation/ Sac-Joaquin Section Alpha Charter Ethics in Sports

Policy Statement

Alpha Charter, as a member of the Sac-Joaquin Section, California Interscholastic Federation, is committed to the exhibition of sportsmanlike and ethical behaviors in and around all athletic events. All contests must be safe, controlled, fair, courteous and orderly for all athletes and fans.

It is the intent of Alpha Charter and CIF that violence in any form not be tolerated. In order to enforce this policy, Alpha has adopted rules and regulations which set forth the manner of enforcement of this policy and the penalties incurred when violation of the policy occurs.

Alpha Charter, in accordance with Sac-Joaquin Section CIF, as recommended by the State CIF Federated Council, require that the following Code of Ethics be issued to each athlete each year and will require signing by student athletes, parents/guardians and coaches each year prior to participation.

Code of Ethics

It is the duty of all concerned with high school athletics:

1. To emphasize the proper ideas of sportsmanship, ethical conduct and fair play.
2. To eliminate all possibilities which tend to destroy the best values of the game.
3. To stress the values derived from playing the game fairly.

4. To show cordial courtesy to visiting teams and officials.
5. To establish a happy relationship between visitors and hosts.
6. To respect integrity and judgment of sports officials.
7. To achieve a thorough understanding and acceptance of rules of the game and the standards of eligibility.
8. To encourage leadership, use of initiative, and good judgment by the players on a team.
9. To recognize that the purpose of athletics is to promote the physical, mental, moral, social and emotional well-being of the individual players.
10. To remember that an athletic contest is only a game - not a matter of life and death for player, coach, school, officials, fan, community, state or nation.

Principles of Pursuing Victory with Honor

The Operating Beliefs and Principles of the California Interscholastic Federation

At its best, athletic competition can hold intrinsic values for our society. It is a symbol of a great ideal: pursuing victory with honor. The love of sports is deeply embedded in our nation's consciousness. The value of millions of participants and spectators are directly and dramatically influenced by the values and actions conveyed by organized sports. In the belief that the impact of sports can and should enhance the character and uplift the ethics of our students across the state, we have established a framework of principles and a set of common values that must be adopted and practiced widely.

On November 5, 1999, nearly 50 interscholastic sports and educational leaders representing California's 1263 high schools voted as part of the CIF Federated Council, to unanimously adopt and endorse "Pursuing Victory With Honor" as operating beliefs and principles of the California Interscholastic Federation (CIF). "Pursuing Victory With Honor" is the result of a conference convened May 12-14, 1999 in Scottsdale, Arizona by the Josephson Institute of Ethics, CHARACTER COUNTS! Coalition and the United States Olympic Committee.

16 Principles of Pursuing Victory with Honor

1. The essential elements of character building and ethics in CIF sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring and good citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character."
2. It's the duty of School Boards, superintendents, school administrators, parents and school sport leadership – including coaches, athletic administrators, program directors and game officials – to promote sportsmanship and foster good character by teaching, enforcing, advocating and modeling these "six pillars of character."
3. To promote sportsmanship and foster the development of good character, school sports programs must be conducted in a manner that enhances the academic, emotional, social,

physical and ethical development of student-athletes and teaches them positive life skills that will help them become personally successful and socially responsible.

4. Participation in school sports programs is a privilege, not a right. To earn that privilege, student-athletes must abide by the rules and they must conduct themselves, on and off the field, as positive role models who exemplify good character.
5. School Boards, superintendents, school administrators, parents and school sports leadership shall establish standards for participation by adopting and enforcing codes of conduct for coaches, athletes, parents and spectators.
6. All participants in high school sports must consistently demonstrate and demand scrupulous integrity and observe and enforce the spirit as well as the letter of the rules.

Such individuals must assure that education and character development responsibilities are not compromised to achieve sports performance goals and that the academic, social, emotional, physical and ethical well-being of student-athletes is always placed above desires and pressures to win.
10. All employees of member schools must be directly involved and committed to the academic success of student-athletes and the character-building goals of the school.

CIF – Alpha Charter Code of Conduct for Interscholastic Student-Athletes

Interscholastic athletic competition should demonstrate high standards of ethics and sportsmanship and promote the development of good character and other important life skills. The highest potential of sports is achieved when participants are committed to pursuing victory with honor according to six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship (the “Six Pillars of Character”). This Code applies to all student-athletes involved in interscholastic sports in California. I understand that, in order to participate in high school athletics, I must act in accord with the following:

1. **Trustworthiness** - be worthy of trust in all I do.
 - Integrity – live up to high ideals of ethics and sportsmanship and always pursue victory with honor; do what's right even when it's unpopular or personally costly.
 - Honesty – live and compete honorably; don't lie, cheat, steal or engage in any other dishonest or unsportsmanlike conduct.
 - Reliability – fulfill commitments; do what I say I will do; be on time to practices and games.
 - Loyalty – be loyal to my school and team; put the team above personal glory.
2. **Respect** - treat all people with respect all the time and require the same of other student athletes.

3. **Class** – live and play with class; be a good sport; be gracious in victory and accept defeat with dignity; give fallen opponents help, compliment extraordinary performance, show sincere respect in pre- and post-game rituals.
4. **Disrespectful Conduct** – don't engage in disrespectful conduct of any sort including profanity, obscene gestures, offensive remarks of a sexual or racial nature, trash-talking, taunting, boastful celebrations, or other actions that demean individuals or the sport.
5. **Respect Officials** – treat contest officials with respect; don't complain about or argue with official calls or decisions during or after an athletic event.
6. **Importance of Education** – be a student first and commit to getting the best education I can. Be honest with myself about the likelihood of getting an athletic scholarship or playing on a professional level and remember that many universities will not recruit student-athletes that do not have a serious commitment to their education, the ability to succeed academically or the character to represent their institution honorably
7. **Role Modeling** – Remember, participation in sports is a privilege, not a right and that I am expected to represent my school, coach and teammates with honor, on and off the field. Consistently exhibit good character and conduct yourself as a positive role model. Suspension or termination of the participation privilege is within the sole discretion of the school administration.
8. **Self-Control** – exercise self-control; don't fight or show excessive displays of anger or frustration; have the strength to overcome the temptation to retaliate.
9. **Healthy Lifestyle** – safeguard your health; don't use any illegal or unhealthy substances including alcohol, tobacco and drugs or engage in any unhealthy techniques to gain, lose or maintain weight.
10. **Integrity of the Game** – protect the integrity of the game; don't gamble. Play the game according to the rules.
11. **Be Fair** - live up to high standards of fair play; be open-minded; always be willing to listen and learn.
12. **Concern for Others** - demonstrate concern for others; never intentionally injure any player or engage in reckless behavior that might cause injury to myself or others.
13. **Teammates** - help promote the well-being of teammates by positive counseling and encouragement or by reporting any unhealthy or dangerous conduct to coaches.
14. **Play by the Rules** – maintain a thorough knowledge of and abide by all applicable game and competition rules.
15. **Spirit of Rules** – honor the spirit and the letter of rules; avoid temptations to gain competitive advantage through improper gamesmanship techniques that violate the highest traditions of sportsmanship.

Alpha Charter Notice of Student use of Anabolic Steroids or Other Performance Enhancing Drugs

Alpha Charter prohibits the use of androgenic / anabolic steroids or any dietary supplement banned by the U.S. Anti-Doping Agency as well as the substance synephrine, without a written prescription from a licensed health care practitioner to treat a medical condition. Student use of alcohol, marijuana, and/or any other drug remains a concern and has been addressed on other school policies and the code of conduct.

Identification

1. Any student suspected of using or having used anabolic steroids or a performance-enhancing drug is to be reported to the administration. Teachers, coaches or other school officials are expected to report any known users and/or names of any students suspected of use.
2. An investigation will be conducted by the administration and/or coaching staff to determine whether or not there is reasonable suspicion that the individual in question may be currently using or has used a performance enhancing drug. Conferences and interviews will be scheduled as deemed necessary and parents will be notified if there is evidence of a potential problem or if questions remain unanswered.

Reasonable Suspicion or Admitted Use

As determined by the school administration, if there is reasonable suspicion based on specific articulable facts that the individual in question may be using, or has used anabolic steroids or any other performance enhancing drug:

1. The student will be removed from the athletic program as per stated in the Athletic Handbook.
2. The student may be asked to participate in a voluntary drug test, at his or her own expense, in order to continue athletic participation. If a student tests positive, then the student must test, at their own expense, negative on a second voluntary drug test prior to participation in any other Alpha Charter athletic program.

Grievance Procedure

The grievance process is intended to be a process whereby concerns of alleged unfair treatment of athletes can be addressed in a timely manner. It is our belief that a quick and honest discussion between all parties will result in the positive resolution of concerns and an improvement of the atmosphere for both athletes and coaches. The lists below of legitimate and non-legitimate grievances are intended to be guidelines, not an all-inclusive list.

Legitimate grievances:

1. Failure to provide due process in disciplinary action.
2. Failure to provide a fair opportunity to compete to make the team (cut-off).
3. Mistreatment of athletes: Putting students down or foul, inappropriate language
4. Any violation of an adopted code: ethics, conduct, expectations
5. Discrimination on the basis of any protected class

Non-legitimate grievances:

1. Athlete not given enough playing time, other than for reasons stated above.
2. Athlete not playing the right position, other than reasons stated above.
3. Strategies used by the coach, other than as stated above.
4. Win/loss record of the team or coach

It is the intent that problems be resolved before coming to the formal grievance process. When a problem or concern develops between a student/parent and the coach and a meeting or discussion has been held but resolution was not achieved, the following procedure and timeline should be followed

At the request of the student/parent, a meeting shall be held involving the student/parent, coach and the Athletic Director. This meeting should take place within five working days of the statement that a problem exists which requires intervention. It is hoped that an acceptable solution will be agreed upon. Whether or not agreement is reached, an outcome of the meeting should be the clarification of:

1. The nature of the problem - what part of which code was violated.
2. Reason(s) for the problem.
3. Prior communication that has taken place, from either or both parties.
4. Efforts that have been made to correct the situation.
5. Acceptable solutions for or exception of each party.

If the problem is resolved to everyone's satisfaction, a written statement of the conference shall be generated by the Athletic Director and kept on file.

If the problem is not resolved, and the student/parent decides to pursue the grievance process, a written summary of the student/parent concern and a summary of the conference shall be submitted by the Athletic Director and the student/parent to the site principal for further consideration.

The Principal/Athletic Director/designee shall conduct a meeting as soon as possible, but no later than seven working days from the receipt of the grievance, with the student/parent, coach, Athletic Director,

and other personnel deemed necessary. Whatever the determination of the Principal, a written summary of the conference will be developed by the Principal and filed with the Director of Administrative Services for future reference or action.

If agreement is reached and the problem is resolved, no further action is necessary.

If the problem is not resolved to the student/parent's satisfaction, a written appeal shall be submitted, no later than five school days after the decision of the Principal, to the Superintendent/designee. Upon receipt of the appeal, the Superintendent will hold a meeting to finalize decision.

As a school district, we welcome calls and/or conferences with parents and community members at large who have concerns about our policies or practices. It is imperative that we know when and what concerns students and parents have. Adjustments/changes in our policies or regulations will, to some degree, reflect the concerns expressed. However, grievances and appeals about our athletic policy and regulations must be based on violations of section(s) of the adopted codes of conduct, expectations, or ethics.

I have read and understand the requirements of this Alpha Charter Athletic Handbook. I understand that I'm expected to perform according to this code and I understand that there may be sanctions or penalties if I do not.
